Colder tonight. Friday, sunny with slowly rising temperature. Warren temp., Hi 49, low 20. Sunrise 7:13. Sunset 5:57.

QUAKER CITY NEGOTIATIONS BREAK DOWN

President of the Transport Workers Union Walks Out of Meeting To Discuss Issues

ALL TALKS HALTED

Bulletin Philadelphia, Feb. 17.—(AP)—The Philadelphia Chamber of Commerce today called for an immediate return to work of striking subway, bus and trolley workers. It proposed establishment of a five-man mediation panel to settle the dispute.

Harrisburg, Feb. 17.—(AP)—Gov. James H. Duff said today there will be "some very important news" about the Philadelphia transit strike situation. The governor made the brief comment without elaboration at a news conference after he was asked about pending legislation to bring urban passenger transportation under a 1947 law. The act requires arbitration of labor disputes affecting public utilities.

Philadelphia, Feb. 17.—(AP)—Negotiations broke down today in Philadelphia's week-old transit strike.

President Michael J. Quill of the CIO Transport Workers Union walked out of a negotiating meeting and declared: "We intend to continue this strike indefinitely. x x x We believe the Philadelphia Transportation Company has been acting in bad faith."

The CIO Union men who operate the PTC's 1,500 miles of subway, bus and trolley lines walked out last Friday. The company carries 3,200,000 passengers a day. Negotiators are 14 cents apart on wage demands.

There was a complete halt also in wage talks between the Yellow Cab Company and the 3,500 AFL taxi drivers who struck Wednesday.

Counsel for the cab company said "we feel it would be purposeless to negotiate with men who are engaged in an illegal strike."

Men and women grumbled to their neighbors as they struggled into the city by the new routine method of walking, hitch-hiking, driving or riding jammed-to-capacity suburban railway trains.

There was little joking or laughing. One man walked across the courtyard at city hall halted at a traffic light, turned to the stranger beside him and asked, a bit plaintively: "How long you think this crazy mess is gonna go on?"

Roving gangs of men beat up three motorists yesterday in the first outbreak of violence since the strike began. One was hurt seriously.

Police added an extra patrol force last night but reduced it today when no new incidents were reported.

Judge Vincent A. Carroll called

(Turn to Page Fourteen)

URGENT END TO STRIKE AT COUNTY AIRPORT

Pittsburgh, Feb. 17.—(AP)—County Commission Chairman John J. Kane today urged the strikebound Airlines Transportation Co. to make a new effort to reach agreement with its employees.

Passengers and limousines hauling passengers and goods to the county airport have been out of service 33 days.

Unless the company makes an effort to reach agreement, Kane said, its contract will be given to another firm which "can render proper service."

A spokesman for the AFL Teamsters Union said the firm failed to make a counter-offer to the union's demand for a \$7.50 weekly wage hike.

"Literary Exercises" Costs Telephone Executive \$5,000

Boston, Feb. 17.—(AP)—Though he termed them "literary exercises," the letters of a telephone company executive addressing a Pennsylvania banker's wife as "angel" and "supermellow" will cost him \$5,000.

A federal court jury awarded that amount yesterday to Charles Gordon, 34, of Scottsdale, Pa., in his \$50,000 alienation suit against Stanley W. Parker, 49, of Winthrop, Mass.

Gordon charged that while he was serving overseas as an army lieutenant-colonel, Parker dated and wrote endearing letters to him.

Parker defended his letters to the petite brunette as mere "literary exercises" and asserted their friendship was "purely platonic."

The jury deliberated six hours before reaching a verdict in the two-day trial.

Parker admitted writing and

Many Areas Of The Storm-Stricken West Isolated By Heavy Snow, Flood Waters

By The Associated Press Mountainous snows and flood waters in some areas of the storm-stricken west isolated several communities today, stranding thousands of persons.

Food and fuel shortages in some of the snowbound Wyoming towns became more acute. The misery of ranch families mounted. At least a dozen small towns and several ranches in the Elko, Nev., area were marooned. Residents declared an informal "state of emergency," and private and army pilots flew into the area.

Flood waters in Pysht Valley of Washington's Olympic peninsula isolated five northwestern Washington communities. Several other towns were threatened. Snow slides roared into Pacific northwest mountain passes, impeding rail and road travel across the state.

For the second time in a week the mining town of Burke in northern Idaho was isolated by a slide which cut its only road to the outside.

A landslide in Port Angeles, Wash., killed a woman last night. Flood waters spilled over 20 blocks in the community of 10,800. Planes from the Port Angeles coast guard base planned to fly food and mail to some of the isolated Washington towns.

The coastal highway was under four feet of water in some places.

Generally, weather over most of the western blizzard states was fair yesterday but new falls of snow and strong winds appeared headed for storm-battered Wyoming, the Dakotas and Nebraska.

Temperatures moderated yesterday and there were no heavy snowfalls. But strong winds whipped across the isolated sections of Wyoming for the 13th straight day.

In Washington the Agriculture Department warned that this winter heavy snows in the west may create devastating floods when they melt this spring.

All highways in southwestern Wyoming were reblocked by drifts. The Union Pacific's transcontinental railroad line through southern Wyoming was closed and trains were rerouted by way of Denver and Salt Lake City. Food and fuel supplies dwindled at Casper, Wyoming's second largest city.

A city of 36,000 population has been without regular transportation for four days.

Between 150 and 175 interstate trucks were held up in Wyoming (Turn to Page Fourteen)

Gov. Duff Aides Hasten To Set Up Authority Legislation

Harrisburg, Feb. 17.—(AP)—Aides of Gov. James H. Duff worked in haste today in drafting legislation to set up a General State Authority.

A Monday deadline has been set for putting the bills in shape so as to follow on the heels of the administration's \$442,000,000 tax program. Both house and senate adjourned yesterday to come back Monday.

The Authority bill would allow construction of up to \$147,000,000 in the next two years. In addition, a separate measure to create a highway authority is also being written. It is designed to finance up to \$40,000,000 in big highway projects such as express-ways and bridges.

It was known that the Authority measure is almost similar to the 1937 law passed in the Democratic administration of Gov. George H. Earle.

Democratic opposition to the Authority idea is expected to be almost entirely absent. Minority leaders proposed re-enactment of Authority legislation two years ago to head off increased cigarette, beer and liquor taxes as well as the new soft drink levy.

Republicans have passed the idea in 1947 but Duff is turning to the Authority to prevent further tax boosts at this time.

Meanwhile, the controversial gasoline and soft drink taxes apparently were headed for smooth sailing in the senate next week after rocky passage in the house Monday and Tuesday.

Only 26 votes are required for passage.

The senate also called a hearing for Monday on a bill requiring compulsory arbitration of the Philadelphia transportation tieup.

The action came after the Democratic minority threatened a filibuster.

In the house, the Pennsylvania Motor Truck Association threw in a bill to increase the weight limit to trucks.

Penn'a Soldiers In Trouble In Alaska

Anchorage, Alaska, Feb. 17.—(AP)—Two Air Force sergeants from Pennsylvania, accused of slaying a girl, were scheduled to get preliminary hearings late today before a U. S. commissioner.

They are Lester Armstrong, of Brookville, Pa., and Thomas M. Bashline, Port Allegany, Pa.

DR. WEIZMANN PRESIDENT OF JEWISH STATE

Thousands of Spectators Cheer as 74-Year-Old Elder Statesman Drives Through Streets

HOLY CITY WELCOME

Jerusalem, Feb. 17.—(AP)—Dr. Chaim Weizmann, 74-year-old elder Jewish statesman, was inaugurated today as the first president of the new state of Israel.

His right hand raised, the president of the first Jewish state in 2,000 years, solemnly intoned:

"I, Chaim Ben Ozer Weizmann, as president of the state, swear allegiance to the state of Israel and its laws."

Thousands of spectators cheered, shouting, "Long live the president," as Dr. Weizmann drove through the streets of the Holy City to the ceremonial session of the assembly.

He had been provisional president since May, when the British surrendered their League of Nations mandate and Israel proclaimed herself an independent nation.

With a silver scissors, the president cut a blue and white ribbon across an arch of welcome at the entrance to the city.

Mayor Daniel Auster gave him a golden key to the city. School children handed bouquets to Mrs. Weizmann.

In the long procession of cars were members of a parliamentary delegation, including an Arab member from Nazareth who wore flowing white keffiyeh headress.

The delegation had driven to Weizmann's home at Rehovot to inform him of his election by parliament and to escort him back to Jerusalem.

The old city is still held by Arab Legion forces as an aftermath of the fierce fighting that accompanied the birth pains of the new nation.

The swearing in will take place before the 120-man assembly which last night chose Dr. Weizmann on the first ballot after adopting a new constitution.

Twelve members of the assembly, representing symbolically the 12 lost tribes of Biblical Israel, are to escort him from his home in Rehovot to the flag-lined streets of Jerusalem.

After being sworn in and delivering a brief address, Dr. Weizmann is expected to designate David Ben-Gurion, prime minister of the provisional government, to form a new government.

Ben-Gurion is the leader of the Mapai Labor party which holds 44 seats, the largest bloc, in the assembly.

15 Protestants To Face Spy Hearings

Sofia, Bulgaria, Feb. 17.—(AP)—Bulgaria has set Feb. 25 as the date for the trial of 15 Protestant leaders on charges of treason, spying and illegal foreign exchange dealings.

The indictment of the 15 was announced a week ago, just after the trial in Hungary of the Roman Catholic, Josef Cardinal Mindszenty, on similar charges. Some of them have been under arrest for more than a month on charges of spying for Britain and the United States.

The defendants are members of the United Evangelical Church which includes the Methodist, Baptist, Congregational and Pentecost denominations.

The indictment charged that the accused had been in touch with 12 British and American church leaders and officials who were declared to be agents of foreign intelligence and representatives of international reaction.

In the house, the Pennsylvania Motor Truck Association threw in a bill to increase the weight limit to trucks.

17,600 ARE CALLED BACK IN FACTORIES

Detroit, Feb. 17.—(AP)—After layoffs of 17,600 men, the production forces at two factories returned to normalcy today.

The Hudson Motor Car Co. called back 12,000 men and the U. S. Rubber Co. another 5,600.

Hudson's two-day layoff followed a parts shortage. A strike of 300 truckers over job standards was the cause of U. S. Rubber's tieup.

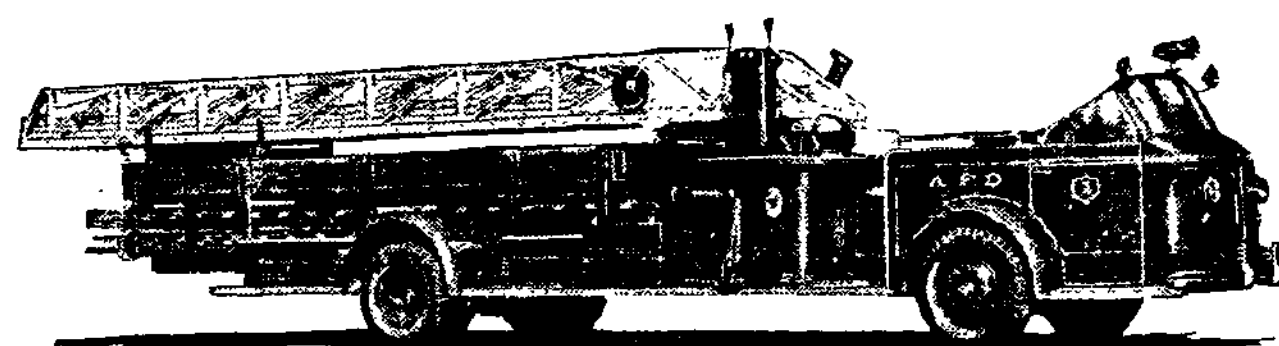

The CIO Union Rubber Workers announced a settlement of the jobs dispute.

SAP IS RUNNING

Somerset, Feb. 17.—(AP)—It may be a little early in the year but the maple sap is running in Somerset county groves. Operators of three big camps have tapped trees and started boiling. They said the unseasonably warm weather may cut the eventual output.

New \$28,350 Aerial Ladder Truck Delivered To Borough Wednesday

Valuable Addition to Fire Department

INITIAL TEST OF EQUIPMENT IS ARRANGED

Most Modern Piece of Apparatus Available Is Added to Local Fire Department

A BRIEF DESCRIPTION

Warren's new \$28,350 aerial ladder truck, with its approximately 42 feet in length and nine feet in height, was occupying a generous space of the Central Fire Station floor today following its delivery here yesterday afternoon.

The new equipment is attracting a great deal of attention, and well it might, because in addition to being strictly utilitarian, it is by far the most "handsome" little red wagon to ever grace the local fire department.

Firemen planned to give the new truck its initial test on business district streets this afternoon.

The truck carries a 65 foot hydraulically operated metal ladder, powered by an American LaFrance 275 horsepower motor which can be handled by one man. Additional height can be secured by supplementing the present ladders with another section or two, if necessary. The ladder is built with hand rails and is to all intents and purposes an outside stairway to the upper stories of any building on which it is used.

The control tower for the ladder is located just back of the driver's compartment on the right side, with scales showing the degree of angle and safety load factors. In other words, the dials will show the operator just how many men and how much equipment the ladder will safely carry at any given angle and height, with the ladder either supported against a building or unsupported on anything.

In addition to the mechanically operated ladder, hand ladders in quantity are carried. There are two 33 foot, one 26 foot, one 24 foot, one 20 foot, two 16 foot and one 12 foot ladders to be used.

Two eight foot, two 12 foot and (Turn to Page Fourteen)

1948 "Market Basket" Brings Record Price

Washington, Feb. 17.—(AP)—The average family paid a record amount of \$687 for its "market basket" of food in 1948, the Agriculture Department said today.

This is 7 per cent, or \$45, more than it paid in 1947, the previous record year.

The market basket contains quantities of farm food products equal to the 1935-39 average annual purchases per family of three consumers.

Marketing charges accounted for \$228 of the \$687 market basket. The farmer got the remaining \$359.

The department said, however, that a decline in farm and food prices in the latter part of the year brought the cost of the market basket to the annual average of \$663 in December.

Europe Still Hopeful For Security Pact

Washington, Feb. 17.—(AP)—Western European nations were reported still hopeful today of obtaining American agreement to some open promise of military support in the proposed North Atlantic security treaty.

Diplomatic informants predicted that when the Europeans next meet with Secretary of State Acheson they will again press on this point.

They are seeking to include in the defense clause of the treaty the clearest possible statement of unity of the forces of the west against any future aggressor.

They are expected to urge on Acheson some reference at least to the possibility of military action by all of the members of the security organization in event of an attack.

It is understood that, provided the "military" reference was subordinate to other kinds of action along diplomatic and political lines, Senator Vandenberg (R-Mich.) would have no personal objection to the inclusion.

Acheson himself indicated yesterday that the problem is largely one of wording rather than a question of intent.

He told a news conference that there are no real differences between himself and Senate leaders in regard to the objectives which this agreement is seeking to accomplish.

He then cited President Truman's inaugural speech. In it Mr. Truman declared the purpose of the alliance is to discourage any future aggression by confronting him with the certainty that if he attacked he would be met with "overwhelming force."

TRIPLETS BORN TO COUPLE IN READING

Reading, Pa., Feb. 17.—(AP)—Mrs. Mary Ellen Patterson, 21, gave birth to triplets two boys and a girl in Reading Hospital yesterday. Each weighed about five pounds.

Said the father, William, 27-year-old metal plant worker: "Right now I'm trying to figure how we can take care of four children in a two-room apartment," he said.

The Pattersons, who also have a three-year-old son, think they'll move temporarily to the home of Mrs. Patterson's parents here.

Chapman Offers Stray Dogs Bill

By The Associated Press Harrisburg, Feb. 17.—(AP)—Leroy E. Chapman, R-Warrenton, said "life-saving discoveries" in medicine depend on the use of stray dogs and cats in research laboratories.

Chapman, himself a physician, introduced a measure to allow the licensure of institutions engaged in medical research and make available to them unclaimed and unwanted dogs and cats for scientific experimentation.

The measure has the backing of the Committee on public health legislation of the Medical Society of Pennsylvania.

"This bill," Chapman said in a statement, "will not only protect all pets against the possibility of sale to schools of medicine, dentistry, pharmacy, veterinary or agriculture, but will regulate the confinement of dogs and cats already doomed to death in public pounds."

He explained an advisory committee which will include representatives of the Society for Prevention of Cruelty to Animals and the public, will set up rules and regulations governing the handling of animals in schools conducting research.

"Every year, 200,000 homeless, unwanted dogs are destroyed in public pounds in Pennsylvania," the Senator said.

TO ARANDON LINE

Harrisburg, Feb. 17.—(AP)—The Public Utility Commission today approved the application of the Clarion River Railway Company to abandon its 12-mile line between Halltown and Clarion in Spring Township, Elk County. Work must be finished by the end of the year.

Foremen Seek Law To Permit A Collective Bargaining Plan

Washington, Feb. 17.—(AP)—The Foremen's Association of America today asked congress for a law permitting foremen to bargain collectively with employers.

The appeal was made by Carl Brown, the association's president. To the senate labor committee studying proposals to repeal the Taft-Hartley act and replace it with a modified Wagner act.

A spokesman for the Ford Motor Company has told the committee his company learned from "actual experience" that "unionization of supervisors is unworkable."

The Ford Company asked the committee to retain a provision of the Taft-Hartley act denying foremen bargaining rights granted to other workers.

To speed up hearings on the labor program, Republicans have agreed to limit questioning of witnesses to between 15 and 30 minutes. Deadline for the labor hearings is Feb. 23, and at least 20 witnesses remain to be heard.

The House-approved reciprocal trade bill went before the Senate Finance committee. Willard L. Thorp, assistant secretary of state, and Will Clayton, former undersecretary for economic affairs, were called to testify.

An issue that played an important part in last November's election—adequate facilities for farmers to store wheat, corn and other crops under government loan—was before the Senate Agriculture committee. It hopes to have a bill ready this week to provide money for the project. President Truman requested \$25,000,000 in his budget for this purpose.

Rent controls seemed sure to be continued, although the bill may not be as strong as the president has requested. The house banking committee continued hearings on the legislation today. Leading members of the group indicate they favor a continuation of rent ceilings for about a year, a ban on mass eviction of tenants, and authority for the rent administrator to sue for overcharging of tenants.

The first big money bill of the 81st Congress went before the Senate. The House passed it 367 to 19 yesterday after 30 hours of heated debate. The bill is for \$471,895,177 to finance about three dozen agencies for the balance of this fiscal year, or up to June 30.

The government wound up its case yesterday, the 18th court day since the trial began Jan. 28.

Before today's session began, Laughlin told reporters he hopes to call between 500 and 1,000 former GI's as defense witnesses. Whether he will be allowed to do so is up to Federal Judge Edward M. Cuiran.

The attorney said the testimony of the former soldiers would offset that of government witnesses (Turn to Page Fourteen)

Jaycees Launch Agitation For Celebration On Fourth

The Warren Junior Chamber of Commerce took action last evening which it is hoped will lead to the staging of a Fourth of July celebration in the city this summer.

President Chuck Trianter was instructed to appoint a committee which will investigate the possibility of holding a bangup celebration similar to the ones which attracted thousands to Warren a number of years past.

The action was taken by the Jaycees because it was felt that there is considerable sentiment in the borough for staging an affair of this kind, and the club feels that with the cooperation of all interested parties, a fine celebration would be assured.

It has been pointed out that the year 1949 is an appropriate one to revive a summer festivity inasmuch as it was exactly 200 years ago that the area of Warren was claimed by the French and the lead plate was buried opposite the mouth of the Conewango Creek.

A July 4th event could be marked also as an anniversary occasion.

David Potter, manager of WNAE spoke to the Junior Chamber about the radio stations application for night time operation. The club moved that a Jaycee committee be established to work with Mr. Potter in securing additional letters from Warren residents in support of the application, and every member is urged to write a personal letter to the FCC.

There was also discussion last evening relative to setting up a community youth center in Warren with several ideas presented for such a project. A committee will investigate the matter with an eye towards establishing a youth center where the young people may spend their leisure time.

By The Associated Press Harrisburg, Feb. 17.—(AP)—Leroy E. Chapman, R-Warrenton, said "life-saving discoveries" in medicine depend on the use of stray dogs and cats in research laboratories.

Chapman, himself a physician, introduced a measure to allow the licensure of institutions engaged in medical research and make available to them unclaimed and unwanted dogs and cats for scientific experimentation.

The measure has the backing of the Committee on public health legislation of the Medical Society of Pennsylvania.

"This bill," Chapman said in a statement, "will not only protect all pets against the possibility of sale to schools of medicine, dentistry, pharmacy, veterinary or agriculture, but will regulate the confinement of dogs and cats already doomed to death in public pounds."

He explained an advisory committee which will include representatives of the Society for Prevention of Cruelty to Animals and the public, will set up rules and regulations governing the handling of animals in schools conducting research.

Heart Disease Discussed By Local Doctor

At the February meeting of the Warren County Medical Society, held at the Conewago Club, Robert Heim, general field representative of the American Red Cross, gave a short talk on the National Blood Donor and Blood Typing program which is to be sponsored by Red Cross chapters in communities where the need exists.

Dr. Jack Walford, of Warren State Hospital staff, was elected to membership in the county society, and Dr. Raymond E. Lowe gave a very interesting and instructive talk on coronary heart disease.

The speaker reminded his listeners that angina pectoris is a serious malady which affects men more than women; has been recognized since classical times but was first completely described by Heberden in 1758. He explained that it occurs usually in the forties, fifties and up, while cases under 30 years are rare.

He said the attack is typical and begins as a sudden vise-like gripping of the chest with pain that is more crushing than knife-like and accompanied by an agonial sense of impending death. If the pain radiates, it is usually to the left shoulder, left arm and to the jaw, the patient characteristically remaining immobile while the attack lasts, which may be a matter of seconds or minutes.

Attacks may be precipitated by unusual exercise or in some cases, by emotional attacks and crises. Individual attacks of angina are caused by a transitory period of undue constriction of the heart muscle. As the coronary vessels supply blood to the heart muscle, angina attacks are, therefore, a warning sign of impending trouble.

Coronary occlusion occurs when one of the vessels supplying blood to the heart wall becomes plugged, resulting in damage to the heart muscle supplied by that vessel. If a large vessel is clogged by such a clot, death occurs immediately from heart failure, but the patient may recover from clogging of a small vessel. Symptoms, he said, are a sudden onset of intense pain in the chest, a feeling of impending death, cold extremities, difficulty in breathing, early signs of pneumonia, and beginning heart failure. Changes also occur in the electrocardiogram.

Concluding, Dr. Lowe said that in the treatment of these conditions rest, sedatives, and supportive therapy are most important; complications must be watched for and prevented if possible. Heperin and dicoumeral are two fairly new drugs being used in the treatment of pulmonary embolism which may complicate coronary occlusion.

He made the statement that despite recent articles in Coronet Magazine and others, vitamin U seems to have no value in heart disease of this type. He demonstrated his very fine talk with slides of electrocardiograms.

The meeting was adjourned at six o'clock and dinner served under the direction of the hosts, Doctors Francis Elisson and Paul Fago. Julius Finn, C. J. Frenz and Joseph Gaughan.

Clarendon Dep't Will Not Charge For Calls

Widespread rumors that the Clarendon volunteer fire department would make a charge in the future for calls answered outside the borough were flatly denied today in a statement issued by C. S. Jones, assistant fire chief.

Jones said the rumors have been widely circulated ever since the Clarendon firemen started their campaign for funds to purchase a new truck.

"We never have made a charge for out-of-town calls," Jones said, "and we will not make any charges for out-of-town runs in the future."

Amusements

Errol Flynn and Viveca Lindfors in Technicolor hit "NEW ADVENTURES OF DON JUAN" at the Library Theatre Sunday-Monday-Tuesday.

Make way for Don Juan, the greatest lover and swordsman of them all...he's coming to the Library Theatre Sunday, Monday, and Tuesday.

Errol Flynn and the sensational Swedish actress, Viveca Lindfors, star in "Adventures of Don Juan," Warner Bros. magnificent Technicolor romance which opens on Sunday at the theatre. Directed by Vincent Sherman, the film also has newcomer Robert Douglas, Alan Hale, Romney Brent, Ann Rutherford, Barbara Bates, Robert Warwick, Una O'Connor, Mary Stuart and thousands of extras in the cast.

This picture has been filmed on such a sweeping scale that preview audiences have been breathless with raves over the Technicolor opulence and splendor of this romantic epic.

Flynn, who excels in swashbuckling roles, is cast as Don Juan, history's greatest lover and heroic swordsman, and Miss Lindfors is Queen Margaret, the mere women he would die for. While Flynn has appeared in other historical roles such as "The Adventures of Robin Hood," "Elizabeth and Essex," "Dodge City," "They Died With Their Boots On" and other Warner specials, his latest assignment of Don Juan is reported to top them all.

Youngsville Girl Is Essay Prize Winner

With announcement that a 12th grade Oil City Senior High School student was the grand prize winner of a \$1,000 cash scholarship awarded by the Pennsylvania Motor Truck Association, it is learned that Mary A. Shurwin, of Youngsville High School, was one of the 57 county winners of additional \$25 awards.

Topping the list of 352 entries received from 54 counties in the state in its essay contest on "The Place of the Motor Truck in Pennsylvania Industry," was the paper prepared by C. Douglas Clinger, 415 Central avenue, Oil City.

Judges of the contest were William F. Crossett, of Warren, who is president of the Pennsylvania Motor Truck Association; Ray F. Smock, secretary of highways, P. D. Van Ness, executive secretary of the Pennsylvania School Directors Association; Mrs. James Meschan, president of the Pennsylvania Congress of Parents and Teachers; and Dr. Leonard P. Fox, secretary of the State Chamber of Commerce.

Boy Involved In Dynamiting Before Court

William Howard Hanson will be given a juvenile hearing before Judge Allison D. Wade this afternoon and his cohort, Leroy Churchill, in the recent dynamite scare in Warren borough, will be sentenced, vinding up a case which had all local law enforcement officials puzzled for several days. In addition to the above case, several other sentences and hearings will be on the court docket.

Frank Cardone, Lloyd Passinger and Charles Hollowell, charged with burglary and larceny of the Segel junk yard, will have their case considered.

Robert Dixon will receive a hearing on a charge of drunken driving. William Speaker will also receive a hearing on a charge of obtaining unemployment checks by fraudulent means.

In court yesterday, Judge Wade granted a divorce to William J. Horton from Nellie M. Horton.

North Warren Fire Dep't Holds Meeting

Ralph Ward, Jr., was elected president and Hugh Olson was re-elected chief of the North Warren Volunteer Fire Department at a business meeting last night.

Other officers named were Joseph Morley, vice president; Donald Hunk, secretary; Carl Engle, treasurer; and Edward Rogels, trustee for three years.

Credit Union At Sylvania Has Meeting

The Warren Sylvania Federal Credit Union, upon recommendation of the board of directors and a 24% dividend at the end of the first ten months of operation. The organization was newly formed at the Warren plant of Sylvania Electric Products Inc. in January of 1948, and recently held its first annual meeting to elect its officers and elect its new officers. A dinner preceded the business meeting at which W. W. Ratt, executive director of the Sylvania Credit Union League, was principal speaker.

W. E. Barre were re-elected to the board of directors and R. S. Mathe and Rachael McNutt were succeeded by R. A. Jenkins and Dorothy Buck. H. L. Hand and F. A. Lindquist were re-elected to the committee and C. J. Albrecht was succeeded by Francis Sedlak. R. S. Doebl and M. Bobelak were re-elected to the supervisory committee and C. E. Tanguay was succeeded by Alberta Sertara.

The organization is made up exclusively of Warren Sylvania employees and their immediate families, and functions on a cooperative savings and loan basis under direct Federal jurisdiction.

R. J. Ledebur, L. R. Green and

Legion Post And Auxiliary Planning For Annual Dinner

Lawrence Trainor, who was the unanimous choice for department commander of the American Legion at the Philadelphia convention in 1948, will be one of two honored guests next Tuesday evening, when Chief Cornplanter Post and Auxiliary entertain with their annual Washington Birthday dinner-dance. Sharing honors with him will be Mrs. D. A. Krumrine, state president of the Auxiliary.

Commander Trainor's biography reveals that he enlisted in the United States Army on July 19, 1918, at the age of 20, and served overseas with the 310th MTC, 3rd Army, until September 28, 1919, as a non-commissioned officer. He became a charter member of

Duquesne Memorial Post, No. 448, and served that unit in every capacity, including that of commander in 1932. He was appointed deputy district commander in 1936

Lawrence Trainor

and served in that office until 1940, when he was elected commander of the 36th District.

He served Allegheny county as junior, senior and county commander and is also a member of Voiture 5, of the 40 at 8.

Mr. Trainor has served on many department committees since joining the Legion and has been active in Legion and veteran affairs in his home county as well as in the state.

He served as department vice commander in senior capacity from 1946 to 1947. In private life, Commander Trainor is fire chief of Duquesne, having served in that post for the past 28 years. He served as director of aircraft warning during World War II, organizing many stations in Allegheny county, and was Civilian Defense Corps coordinator.

He is affiliated with the Elks, Eagles, Moose, Kiwanis and other service and civic groups.

His wife, daughter and mother are members of the American Legion Auxiliary and his two sons are Legionnaires.

Times Topics

STORE NOT REOPENING

The Great Atlantic and Pacific Tea Co. will not re-open its Cams bridge Springs store, which was destroyed by fire last Sunday night. A store room was made available, but the company decided against re-opening.

TRAINS TO COME OFF

Effective March 6, the P. R. R. will cease to operate its passenger trains between Corry and Buffalo, according to a letter received by the Titusville Chamber of Commerce from the general superintendent's office, at Buffalo.

RUSHING THE SEASON

The unusually warm weather of the past few days has brought to light many of the so-called signs of spring. Mrs. Joseph DeFabio, 207 Prospect street, reporting pussy willows in full bloom in her back yard, and Mrs. Ronald Stover, 1309 Pennsylvania avenue, west, picking dandelion blossoms in her garden.

BOYS' PROGRAM

Members of the boys' work committee of the local YMCA will hold an important luncheon-meeting at the "Y" at 12:15 p. m. Wednesday, February 23, for consideration of future activities of this department. Meeting with the members will be Harvey Boorman, state program secretary and former boys' work secretary in Warren, who will be in town on Tuesday to make a study of the program and activities and present his recommendations at the luncheon session.

SUPER-HOG

Marvin Stover of Fertigs, Venango county, last week killed a hog that dressed 1,008 pounds without liver or heart. Mr. Stover thinks the hog must have weighed 1,100 to 1,200 pounds before being dressed. The hog was eight feet long and one of the trimmed hams weighed 164 pounds. Mr. Stover took the hog to Pittsburgh when it was a year old and weighed 500 pounds and no buyer would take it on account of its weight. County Agent Hitt says his records show no hog over 700 pounds before the Stover animal was reported.

TWO SENT TO JAIL

In the nine-county district in northwestern Pennsylvania in January, the Game Commission collected \$975 in fines and two offenders were sent to jail. Guy Baretta of Farrell was fined \$500 and given a year in jail for seriously wounding a man in mistake for game. A Butler county man was sentenced to 30 days in jail for shooting within 150 feet of an occupied dwelling. The only Crawford county man prosecuted was Glenn W. Hickernell, of Saegertown for raising mink without a permit, his fine being \$25. A Venango county man was fined \$25 for destroying a tree on state game lands.

Food Index Shows A Slight Advance

New York—(AP)—The Dun & Bradstreet wholesale food index this week advanced for the first time in eight weeks. At \$5.76, it was 1.8 per cent above last week's level which was a 28-month low.

The current figure was still 14.8 per cent below the \$6.76 of a year ago. The index represents the total wholesale cost of a pound each of 31 foods in general use.

Foods which advanced this week included flour, wheat, corn, rye, oats, barley, hams, lard, butter, cottonseed oil, eggs, potatoes, steers, hogs and lambs.

Lower were beef, jellies, sugar, coffee, cocoa, molasses and raisins.

TODAY is pay day for all the folks who have classified ads.

National Magazine Features Regional Oil Association

The Bradford District Pennsylvania Oil Producers Association is being featured in this month's issue of The Independent Monthly, official publication of the Independent Petroleum Association of America. The published article will describe how the association has been directly beneficial to those in the industry, and indirectly to communities of the entire Appalachian region, and how it has been a progressive influence toward advancing the science of secondary recovery of oil in all the Nation's producing areas.

Bradford District Pennsylvania Oil Producers Association was organized in the early days of the depression, but actually the Association received its start under the name of Northwestern Pennsylvania Oil Producers Association, which was formed shortly after the entry of the United States into the first World War. Both the first organization and the present one have been instrumental in industry advances and in industry-Government relations and understanding. The Association is nationally known as a model industrial Association and is internationally recognized by the entire petroleum industry.

Present officers of the Association are George H. Daggett, president; John E. Seldon, 1st vice president; R. J. Brennan, 2nd vice president; Archie L. Yerdon, treasurer; and G. Gerald Bauer, executive secretary and author of the article appearing in The Independent Monthly. A. E. Booth was the first president of the re-organized Association with other officers being Forest Dorn, 1st vice president; E. C. Emery, 2nd vice president; R. T. Zook, secretary, and D. T. Andrus, treasurer. J. Scott Walker was the 1st executive secretary.

Although the by-laws of the Bradford District Association list as its purpose the promotion of "the general welfare of the producing industry in the Bradford District," its activities have reached far afield with accumulative benefits to producers of the entire Appalachian oil and gas producing region. Apart from activities purely petroleum in nature the Association has cooperated with county commissioners and road and school supervisors in valuation determinations, with public libraries in the accumulation of technical and historical data on the petroleum industry and has assisted various Governmental bodies in interpretation of codes such as the NRA and regulations pertaining to petroleum development and production. The Association also, through its stream pollution committee, cooperated with state authorities of Pennsylvania in formulating realistic and workable stream pollution legislation.

Mackenzie's Column

By DEWITT MACKENZIE
AP Foreign Affairs Analyst
The Russian writer David Zaslavsky says in the Moscow Literary Gazette that it is impossible to be genuinely educated without knowledge of the Russian language.

Zaslavsky claims that the "countries of new democracy" (meaning Moscow's satellites) are learning the tongue, and that even Soviet enemies are studying it. He adds that "The Voice of America" (the U. S. official broadcast) lies in Russian.

Well, I'm afraid we can't take it for granted that there is a widespread thirst for Russian in America merely because "The Voice of America" employs it in some measure. However, it certainly is to be hoped Russian isn't being neglected in this country.

After all, we should be more than stupid if we didn't acquaint ourselves so far as possible with the nation which has declared that our form of government and our way of life and our religion must be destroyed.

Should a hot war grow out of the present cold war (which heaven forbid), we should look mighty sick if we didn't have plenty of people who knew Russian—and a lot of other things pertaining to the land of Bolshevism.

There has been in America a tendency—now happily disappearing—to play ostrich towards the evils of Communism. We have tried to avoid discussing the facts about communism, hoping thus (1) to avoid friction with Russia and (2) to prevent the spread of this ism among our people.

Peter the Great, of Russia, put a tax on beards, according to the Encyclopedia Britannica.

NOTICE
Sealed bids will be received by the Town Council of the Borough of Warren, Pennsylvania, at a regular meeting of said Council to be held on the seventh day of March, 1949, at seven-thirty o'clock P. M., for the purchase of the following:

One (1) (8) or eight (8) cylinder two-door sedan automobile with all of the usual standard tools and equipment, and to be paid partly by trading in the automobile now owned by the Borough of Warren and being used by the Police Department, being a 1947 Chevrolet two-door Sedan Automobile.

Delivery of the above to be made f. o. b. Warren, Pennsylvania, with all taxes and transportation charges paid, within thirty (30) days after bid is accepted.

Each bid must be accompanied by a certified check of the bidder for ten percent (10%) of the amount of the bid as a guarantee that he will enter into a contract for the furnishing of the automobile and equipment specified, if bid is accepted.

The Police Committee and the Borough Council reserve the right to reject any and all bids.
M. L. DOUGHERTY,
Borough Secretary,
Feb. 14-17-24-31.

NOTICE
Sealed bids will be received by the Town Council of the Borough of Warren, Pennsylvania, at a regular meeting of said Council to be held on the seventh day of March, 1949, at seven-thirty o'clock P. M., for the purchase of the following:

One (1) six (6) cylinder two-door sedan automobile with all of the usual standard tools and equipment.

Delivery of the above to be made f. o. b. Warren, Pennsylvania, with all taxes and transportation charges paid, within thirty (30) days after bid is accepted.

Each bid must be accompanied by a certified check of the bidder for ten percent (10%) of the amount of the bid as a guarantee that he will enter into a contract for the furnishing of the automobile and equipment specified, if bid is accepted.

The Street Committee and the Borough Council reserve the right to reject any and all bids.
M. L. DOUGHERTY,
Borough Secretary,
Feb. 14-17-24-31.

This tendency has been responsible for the heated argument over whether communism and the affairs of the Soviet Union should be discussed in the classroom of our universities and high schools. Many institutions have continued to put the facts before their students and there is a growing feeling that this is no time to play ostrich with the subject.

There is recognition that the only way to combat a great evil is to learn all there is to know about it.

Of course in permitting communism to be aired in the classroom, there is always the danger that sometimes it may be presented by an instructor who is a Red sympathizer. There is the danger that it may be advocated to the students, whereas Washington has condemned it as subversive and as aimed at the overthrow of our government by force.

Still, my observation has been that Red sympathizers always will find ways of getting their propaganda across in the classroom, even where discussion of communism is taboo. Many educators feel that the best way to combat this sly spreading of Red propaganda among students is to come out with real facts.

But where are we to get the real facts, in view of the iron curtain? Naturally we aren't going to get them from courses controlled by Moscow. I think the answer is that we must depend mainly on our own government and on our own press for our information.

Washington is steadily and increasingly giving the inside facts to the public.

The Greeks established colonies along the Spanish Mediterranean Coast in the 6th Century, B. C.

Cucumbers were a favorite dish of the Roman emperor Tiberius.

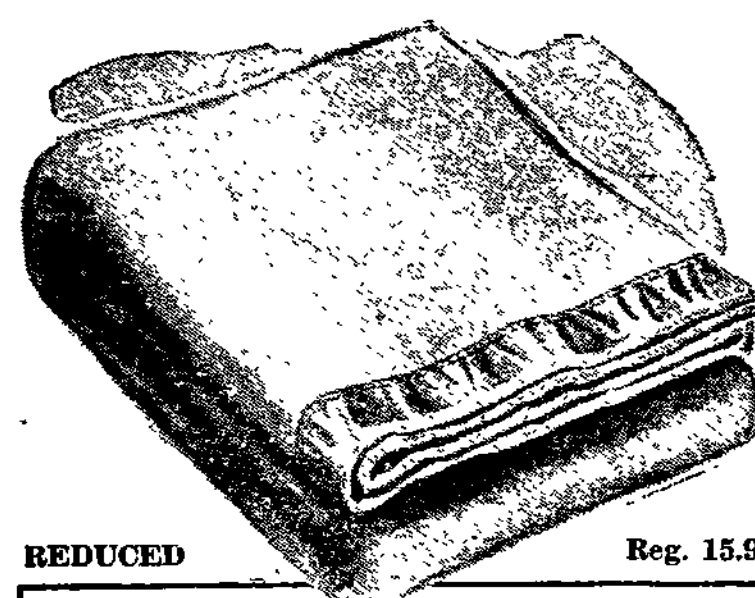

NOTICE

Pursuant to the provisions of the Act of Assembly No. 481, approved June 25, 1947, P. L. 1145, notice is hereby given of the intention of the Burgess and Town Council of the Borough of Warren to finally pass an ordinance at a meeting of the Town Council of the Borough of Warren to be held at 7:30 o'clock P. M. on March 14, 1949, which ordinance was presented at the meeting of Council held February 7, 1949, and is entitled, "An ordinance providing for the levy, assessment and collection of a per capita tax, for general borough purposes, on each and every resident and inhabitant of the Borough of Warren over 21 years of age; providing for the collection of said tax by the duly elected or appointed tax collector of borough taxes for the Borough of Warren, in accordance with the local Tax Collection Law, of 1945, as amended and supplemented, and subject to the penalties prescribed therein"; and also pursuant to the act of the General Assembly, approved June 25, 1947, Act No. 481, which ordinance levies a per capita tax of Five dollars (\$5.00) per annum upon each resident and inhabitant of the Borough of Warren over 21 years of age, which tax shall be in addition to all other taxes levied and assessed by the Burgess and Town Council of the Borough of Warren pursuant to any other law of the Commonwealth of Pennsylvania; and will contain further provisions as to the levying and assessment of said tax; and that any person interested may appear at said meeting of Council.

The Burgess and Town Council of the Borough of Warren, Pennsylvania.
M. L. DOUGHERTY,
Borough Secretary,
Feb. 10-17-24-Mar. 3-31

TIDIOUTE

Mr. Grange enjoyed a Valentine party at the Grange Hall Friday evening. Mrs. M. Mealy gave a very interesting talk and a skit was presented by Mrs. Helset and Mrs. Knight. Following the program, a social time, Valentine box and delicious refreshments were enjoyed.

Joseph Walter, a former resident of Tidioute, is very ill at his home in Erie.

George Shields was taken to St. Vincent's Hospital in Erie Monday. The 52nd anniversary of the P. T. A. was held Tuesday evening in the school auditorium. Rev. Louis Swanson was the guest speaker. Cakes were raffled off for benefit of the kindergarten.

Mrs. L. M. Kinnear entertained the Four Leaf Clover Club at her home Monday evening. High score was won by Mrs. E. O. Pequinot; consolation, Mrs. R. W. Smutz.

Mrs. Oma Alabaugh and Mrs. W. Archer purchased the contents of the Blue and White dining room

and are making some improvements and will soon be opened for business.

Mrs. Frank Kapp and Mrs. R. W. Smutz attended the "Three Musketeers" at the Library Theatre in Warren on Tuesday.

Mr. and Mrs. Clifford Mickle and children, of Youngstown, O., were guests over the weekend of the former's parents, Mr. and Mrs. E. A. Mickle.

Dan McCoy, of Alliquippa, spent a few days visiting Mr. and Mrs. Cravener.

Miss Pearl Lewis, of Kane, spent

the weekend in her home in Tidioute.

Miss Kit Foy, of Somerset, is visiting friends in Tidioute.

Howard Christy, of Conneautville, was a Friday visitor here.

Mrs. Gladys Bulard, of Corry, was a guest, Tuesday, of her sister, Mrs. Florence Owens.

Mr. and Mrs. George Nelson, of Erie, called on friends here Saturday.

Dr. and Mrs. Robert Kapp, and two sons, of Hollywood, O., spent the weekend with Mr. and Mrs. F. E. Kapp.

Mr. and Mrs. H. C. Brocklehurst, Mr. and Mrs. W. E. Gilbert were Sunday visitors in Venus.

Dr. and Mrs. Buckingham have returned home after spending several days in New York City.

Mrs. W. Robinson and baby daughter arrived home Saturday from the hospital in Meadville.

Miss Helen Lodge, of Bradford, spent Saturday and Sunday with her father.

Mr. and Mrs. A. V. Clinger and daughter, Miss Lois, spent Thursday in Erie.

James B. Christy returned home

Saturday, after spending last week with his wife and son, Howard, in Conneautville.

Mrs. Emma Kornick and Miss Mabel Darts were Thursday shoppers in Warren.

James Murphy, of Erie, was Thursday visitor in Tidioute.

Charles Uhl, Jr., is spending a few days in Cleveland, O.

Mr. and Mrs. Miller, of Erie, spent the week-end with Mr. and Mrs. A. King.

William Levine, of Buffalo, spent the weekend with his mother.

Kane To Hear Outstanding Male Quartets

Kane Republican: Tickets were in the mails and everywhere today for the big parade of barbershop harmony at the Temple theatre February 24, which will be presented as a convention benefit by the Kane Fire Department.

The concert, first of its kind to be presented in Kane, will feature well known male singing organizations—the Warren Chapter of the Society for Preservation and Encouragement of Barbershop Quartet Singing in America and the Kane Men's Chorus.

Announcement was made today that the well known Buffalo Bills, one of the outstanding quartets of the region, will headline the program here with LeRoy Schneck, WNAE announcer, as master of ceremonies.

Firemen today reported that from all indications, the concert will be a sell-out here. The first floor is being reserved and possibly the first balcony at the Temple theatre. However, arrangements are being made to handle any size of a crowd with an overflow concert at the Kane theatre.

It was pointed out today that the twin theater arrangement will be used only if sufficient tickets are sold. In such case, the program will begin at 8 o'clock at the Temple theatre and at 8:30 at the Chase street theater. The same program will be presented at both theaters.

Jim Donovan, president of the Central District Volunteer Firemen's Association stated today that seats can be reserved during regular theater office opening hours at a special window.

Car Reported Used By Adolf Hitler Sold

Hornell, N. Y.—(AP)—Sale of an automobile reputed to have been used personally by Adolf Hitler was announced today by a Hornell law firm.

Sherman Shults of the law firm of Shults and Shults said the car had been sold by John K. Robinson Davies of New York City to Floyd C. Frederick of Souderton, Pa. Shults did not disclose the purchase price.

The lawyer said the Mercedes-Daimler-Benz would be brought here from Syracuse and put on display for 10 days for the benefit of the Hornell PONY League Baseball team.

It will be turned over to Frederick on Feb. 23, he added. The vehicle has been stored in a Syracuse warehouse since last July.

It was located by police after a claim check for the vehicle had been mislaid. Syracuse police had questioned the authenticity of the claim that the car was the one used personally by Hitler but a representative of the French Victoire Society last week said he "definitely identified" it as the one used by the former German fuhrer.

LONG TRAIN
If loaded on boxcars, exports of all foods from the United States would make an unbroken train long enough to reach three times across the Atlantic Ocean.

Monthly Old-Age Benefits

persons who are now out could collect monthly old-age benefits by filing a claim with the Social Security Administration, Bernard Farabaugh, manager of the Erie branch, said today.

Persons hope to be called to work or to get other jobs to claim their old age in benefits because they misbelieve they will lose their such benefits if they rework.

is not true, Farabaugh explained. Monthly old age insurance under the social security program are payable to a person when he or she is 65 and stops work. He does not have to stop work to get other jobs to claim their old age in benefits because they misbelieve they will lose their such benefits if they rework.

There is no limit to income or earnings from self-employment, or from investments. Also, persons who are collecting unemployment insurance can draw old age insurance benefits at the same time in Pennsylvania.

After a wage earner has filed his claim and started drawing monthly benefits, he can return to work at any time without losing his benefit rights. All he needs to do is notify the Social Security Administration if he earns wages more than \$14.99 per month. He cannot collect his benefits for any month he works, but he can reclaim them again at any time when he stops working.

Farabaugh emphasized that the wage earner must file a claim to receive his old age insurance benefits. They are not paid automatically. Also, he must be fully insured. This means that he must have a required amount of wage credits in social security employment since January 1, 1937.

The new work regulations apply to widows and children of deceased wage earners who are receiving monthly survivors insurance benefits under social security. The person for whom the benefit is paid can go to work at any time, but must report if earnings are more than \$14.99 per month from social security employment.

The local Social Security office will be glad to give information or assistance without charge to all persons wishing to file claims for benefits. The address is: 908 G. Daniel Baldwin Building, 10th and State Streets, Erie, Pa. Part time office hours are held in Warren on the second and fourth Mondays of each month at 1:30 p. m. in the Penna. State Employment Office.

STATE POLICE TRANSFERS
Kane Republican: Nine transfers in Troop C, First Squadron of the Pennsylvania State Police will be effective March 1 in regular reassignments of personnel, according to announcement received at the Kane Sub Station from Lt. Frank L. Garmow of Troop Headquarters. Assigned to the Kane sub station are P2c Hartley Johnson from Troop Headquarters and P2c Michael Pollock from Clarion sub station. Transferred from Kane are P2c John D. Knarr, who goes to Troop Headquarters and P2c Norbert P. Hogel who will go to Clarion. Other transfers were listed as follows: P2c Edward S. Kerr from Clearfield to Clarion; P2c Robert Blair from Clarion to DuBois and P2c Henry Hebda from DuBois to Clearfield.

PROPOSED ANNUAL BUDGET
of
NEWWANGO TOWNSHIP, WARREN COUNTY, PENNSYLVANIA
FOR THE YEAR 1949

Notice is hereby given that the undersigned Supervisors of Conewango Township, Warren County, Pennsylvania, have prepared the Proposed Annual Budget, fixing the proposed tax rate and appropriating funds estimated to be required for the specific purposes forth, for the year 1949.

The tax rate shall be the sum of nine (9) mills on each dollar of assessed valuation (or the sum of ninety (90) cents on each hundred dollars of assessed valuation) on all real estate and occupations, within said township, for general township and road purposes; and for purposes, the sum of two (2) mills on each dollar of assessed valuation (or the sum of twenty (20) cents on each one hundred dollars of assessed valuation) for the year 1949. The special tax rate for street lighting in the village of North Warren, shall be the sum of three (3) cents per front foot, on property with improvements thereon, and one-half (1½) cents per front foot, on vacant lots, within limits of the area served by the said street lights, for the year 1949.

RED CROSS AT CORRY

The Red Cross chapter at Corry has announced its annual campaign as March 1 to 7, and its quota will be \$2,796.

COMMUNITY FAIR

Conneautville's 1949 community fair will be held the first week end in September, fair association members decided at a meeting Monday evening. The fair date was moved two weeks ahead of former years' date in order to avoid conflict with other fairs, according to the association's president, Miller Jamison.

NEW OFFICER

An Allegheny college Sophomore, Lt. Robert W. Cook, of Kane, is the new commanding officer of Company B, Pennsylvania national guard in Meadville. He succeeds Lt. Howard Widmann who was advanced to S-1 officer and adjutant of 1st Battalion 121th Infantry, according to an announcement by Major Ernest Shreve.

UNUSUAL ACCIDENT

Several hundred dollars damage was reported in an unusual accident recently at the home of E. J. Wilcox in East Kane. A water pump in the cellar of the house blew up, apparently because of too much pressure. It was believed a safety valve was not closed and the force of the water exploded the pump. No person was injured.

SCHOOL EXPANSION

Meadville School Board Secretary Ben B. Beisel was authorized to ask architects to estimate the cost of building additions to the third district and east end schools and the construction of a new gymnasium and cafeteria for Meadville high school at a board meeting Monday evening. Directors emphasized they were not contemplating an immediate construction program.

BUY KANE PLANT

Ralph T. Zook and Hugh A. Rich of Bradford have bought the Liquefied Petroleum Gas plant at Kane. The price was not disclosed. The property, bought from Deep Rock Oil Corp. of Tulsa and Derby Oil Co. of Wichita, Kan., will be operated on a wholesale basis under the name of Richgas. For Zook the deal represents a return to a business he and the late William J. Sloan of Bradford launched in 1914 under the name of Sloan & Zook Co. Sloan & Zook sold the controlling interest in its stock to Deep Rock and Derby last June for more than \$10,000,000. The plant at Kane was included in that transaction.

FAMILY OF 14 HOMELESS

Three Bradford organizations—the Salvation Army, the American Legion and the American Legion Auxiliary—Wednesday launched a movement to obtain clothes for a family of 14 persons made homeless by fire Monday in Bingham, nine miles south of there. The family of Mr. and Mrs. Robert Wenner and their 12 children ranging in age from eight months to 18 years, managed to salvage only part of its furniture and personal belongings. Discovered by a passing motorist, the fire had made such headway when detected that no call for assistance was issued to area fire departments. The mother and four children were in the home at the time and escaped without injury. The father was at work nearby.

CRUDE STOCKS

Stocks of domestic and foreign crude petroleum at the close of the week ended Feb. 5 totaled 254,472,000 barrels, according to the Bureau of Mines, United States Department of the Interior. Compared with the total of 255,459,000 barrels for the preceding week, this represents a decrease of 987,000 barrels, comprising a decrease of 525,000 barrels in stocks of domestic crude and a decrease of 462,000 barrels in stocks of foreign crude. Current reports of the industry for the week ended Feb. 5 indicate a decrease in crude oil production and a decrease in crude runs. According to the A. P. I., the daily average output was 5,351,000 barrels, or 88,000 barrels below the total of the preceding week. Daily average crude runs to stills of 5,589,000 barrels were 101,000 below the level of the preceding week and 41,000 barrels above the week ended Feb. 7, 1948.

CIVIL SERVICE EXAMS

A permanent appointment to the positions of Zone Deputy Collector and Office Auditor, CAF-5, \$2974 a year, was announced today by the Director, Third U. S. Civil Service Region, for duty with the Treasury Department, Bureau of Internal Revenue, in the Pittsburgh and Erie Internal Revenue Collection Districts in the State of Pennsylvania and the Delaware Internal Revenue Collection District in the State of Delaware. In addition to experience or training requirements, all applicants must pass a written test. The age limits of 18 to 62 for this examination will be waived for persons entitled to veteran preference. Applicants must be citizens of or owe allegiance to the United States. Full information and application card forms may be obtained from the Commission's Local Secretary, Mr. W. C. McMichael, located at Warren, Pa., from most first and second-class post offices in the states of Pennsylvania and Delaware, or from the Director, Third U. S. Civil Service Region, Room 103-A, Customhouse, Philadelphia 6, Pa. Application card forms must be on file with the Director, Third U. S. Civil Service Region, Room 103-A, Customhouse, Philadelphia 6, Pa., not later than the close of business on March 3, 1949.

Surf SUDS LIKE SIXTY IN THE HARDEST WATER YOU CAN FIND!

Surf is ANOTHER FINE PRODUCT OF LEVER BROTHERS COMPANY—ESPECIALLY MADE FOR HARD WATER

Pennsy Holds Safety Rally For The Area

Over a hundred Pennsylvania Railroad men were present last night at another big Safety Rally which was held at the Recreation Hall. The meeting was handled by Ray Corcoran, an inspector from Buffalo who acted as master of ceremonies. He called upon E. P. Adams, superintendent from Erie, who in part said that he was very glad to see such a big turnout and mentioned that "Safety First is a tremendous and costly job, but God only knows the cost to an employee and his family when he gets hurt." J. D. Henry, train master from Erie, and P. E. Geis, master mechanic from Buffalo, were other speakers.

Motion pictures were shown by L. Sogka of Buffalo. One film on Safety First as practised by the General Electric Company was most educational. The Zala and Graziano fight was depicted and also the World Series of 1948.

Wilford Winner and his orchestra

ASTHMA
SUFFERERS FIND CURE FOR MISERY DUE TO ASTHMA ATTACKS.
RUSHED HERE
New hope for relief from asthma paroxysms is seen today in reports of success with a palliative formula which acts to relieve congestion. Men and women who formerly suffered with dread coughing, choking, wheezing asthma attacks now tell of blessed relief after using it. FROMETIN costs \$3, but considering results, this is not expensive. Amounts to only a few pennies per dose. (Caution—use only as directed.) FROMETIN is sold with strict money-back guarantee by Harvey & Carey Drug Store—Mail Orders Filled. (adv.)

tra enlivened the occasion with snappy numbers and parody singing by Winner which was roundly applauded. Clare Dahlgren of Sheffield, an employee, led in the National Anthem at opening of meeting. R. V. Ongley, section hand from Irvine, kept the crowd in high spirits as they gathered at his snappy piano numbers. P. J. Murphy, captain of police from Erie and former member of the Manhattan quartette of New York, was a real McCormick tenor in singing a few Irish ballads.

Other officials present not mention in the foregoing were: F. R. gimes; M. Young, division engineer; J. W. Young, assistant master Kirkpatrick, road foreman of en-

mechanic; W. A. Jones, supervisor of telegraph and signals; P. E. Mansfield, supervising agent; Al Steiner, assistant train master of Erie, and Sam Paul, assistant train master of Ridgway.

Robert Lang, assistant trainmaster of the New York Central of Erie, was introduced and proved safety first was universal and not

a partisan subject. A group photograph was taken and refreshments were served by the following committee: H. J. Long, engine house foreman; B. Holcomb, car repairman, and Chuck Schoenfeld, sergeant of police of Warren.

Letters to the Editor

February 15, 1949.

Warren General Hospital Committee.

When the working class does give to this kind of a drive and the contributions are all in, if nothing is done about it, the people get where they do not care to contribute to any kind of a drive, and I don't blame them!

If you are not going to build we would like to have our money back, for, after all, it is the working class's hard-earned money!

480 Chapoo Road, Shanghai 6, China January 9, 1949.

Dear Editor,

Last September I meant to write to you about the Christmas treat I wished to give to my 1000 Ragged Sunday School children, but unfortunately I became very ill all of a sudden and so I couldn't write to my great sorrow. Now I am a little better I wish to let you know my little ones had a good time last Christmas.

We are planning to have an Easter treat, God willing, this Easter, and wish to give the little ones candy and Easter eggs. We have a great time every Easter telling the Story of our Saviour's Resurrection. My little "Brownies" and I wish you a very happy Easter.

Send us missionaries lots of them. Do pray for us at this time especially because we have many problems and difficulties to face.

Pray for the children that they may escape the troubles and have a joyful Easter.

Pray that the Lord will spare me another 16 more years of service for Him in China.

In enclose a Chinese bill that went out of circulation while I was ill; but it will be a curiosity to you.

Yours in Christ's glad service, (Rev.) H. G. C. Hallock.

FIRST DRAFT ANIMAL.

The ox was the first creature to be used as a draft animal, and then came the donkey. Horses were not so used until some 1000 years later, and the camel later still.

OUR BOARDING HOUSE with MAJOR HOOPLE

CLARENDON

Clarendon, Feb. 17—Friends of William Wyckoff will be pleased to learn that he is recuperating nicely at his home here after having been a patient in the Warren General Hospital for the past three weeks following an operation.

Members of the True Blue Sunday school class of the Evangelical United Brethren church met at the home of Nadine Campbell, with Mrs. Van conducting devotions. A very fine Lincoln Day program in charge of Geraldine Brian was presented, following which the hostess, Nadine Campbell, served a delicious lunch at a table very lovely in Valentine decorations and centered by a lovely birthday cake honoring two members, Pauline Fredericks and Margaret Dickerson.

Miss Anna Marie Evans attended the Bly and Haw wedding held in St. Callistus church in Kane last Saturday, also the wedding reception which held in Kane Manor. Attorney Bly is a cousin of Miss Evans.

Mr. and Mrs. Raleigh Vantassel, Corry, were Sunday guests at the home of Mr. and Mrs. Earl Smith.

The Clarendon and Tiona Brotherhood met in the Methodist church parlors with 30 members and their

wives present. A very enjoyable time was spent and a dainty lunch served.

Quite a number of local citizens attended the joint quarterly conference held in the First Evangelical United Brethren church in Warren.

Mr. and Mrs. Robert Youngquist spent the weekend visiting at the home of Mr. and Mrs. Don Reed in North Tonawanda.

The Ladies Aid met at the home of Marie Crocker, with 15 present. A delicious lunch was served at one o'clock by Mrs. Crocker and Mrs. Champion, following which a fine program was enjoyed.

The regular meeting of the B P Club was held at the home of Mrs. Hans Walchli.

After being refused seats at an Anti-Slavery convention in London, Lucretia Mott and Elizabeth Cady Stanton held a women's right convention at Seneca Falls, N. Y.

PILES!

A CHEESE FOR EVERY TASTE

You'll enjoy pleasure in a visit to our Dairy Department, for you'll find a cheese there to suit YOUR taste. Here are just a few of our most popular varieties.

Aged SWISS Cheese

Are you a Swiss Cheese fan? Then this is the Swiss Cheese for you—it's aged, and that's one of the important factors contributing to flavor. Here is a combination of wholesome ingredients, proper flavoring and aging that all adds up to fine quality and melt-in-your-mouth goodness.

lb. **59^c**

Sharp AGED Cheese

Proper curing and aging have made this an exceptionally fine sharp aged cheese. It's ideal for salads, snacks, or as a party nibbler—it's unsurpassed for quality and has that tangy distinctive flavor that appeals to those who appreciate fine cheese.

lb. **65^c**

Tangy CHANTELE

Here's a mellow cheese with fine spreading qualities and genuine goodness. Another good salad, snack or sandwich cheese, and extra tasty with salad crackers or graham. You're sure to like it. A fine dessert cheese.

lb. **69^c**

Tempting MILD DAIRY

A Chef's suggestion for sandwiches and in most cheese cooking or baking. It's the ideal cheese for those who enjoy a bland cheese with a delicate flavor.

Giant FRESH GREEN PEPPERS

FOR STUFFING

Here's a recipe for corn stuffed peppers that's delicious. Take 6 to 8 green peppers, 2 cups Orchard Park vacuum packed golden Bantam corn, ¼ teaspoon salt, ¼ teaspoon pepper, ½ cup grated cheese, 2 tablespoons butter. Cut off stem and of peppers, remove seeds and parboil 2 minutes, combine remaining ingredients and fill peppers with mixture. Place in baking dish and bake in moderate oven (350°F.) 10 to 15 minutes. Serves 6 to 8. Add ¼ cup stuffed chopped olives to mixture for added flavor.

Slash Prices On Chocolate Bars of Candy

New York—(AP)—Three manufacturers of large-selling chocolate candy bars reduced their prices to wholesale jobbers 6 to 8 per cent this week.

The companies are Hershey Chocolate Corp., maker of Hershey bars; Peter Cailler Kohler Swiss Chocolates Co., which makes Nestles, and Williamson Candy Co., producer of Oh Henry Bars.

The price reduction was from 80 to 75 cents for a box of 24 bars. Hershey's reduction from \$2 to \$1.84 for a box of 12 large "economy size" bars also was matched by Peter Cailler.

Consumers' retail prices for the candy probably will not be effected, trade sources said. The announced reductions, effective at the beginning of this week, were in the producers' price to wholesalers, as distinguished from wholesalers' prices to retail stores.

The price cuts followed a steady decline in the price of cocoa, which sold for 19 cents a pound here as compared with 40 cents last November.

County School Districts Are Reimbursed

Auditor General G. Harold Wagner has approved payments totaling \$107,860.82 to 24 school districts in Warren county. The funds come out of the appropriation for transportation reimbursements.

The districts and the amount each will receive follow:

Warren, \$606.06; Brokenstraw, \$7,199.10; Cherry Grove, \$1,655.16; Clarendon, \$2,106.45; Columbus, \$10,216.33; Conewango, \$7,072.51; Corydon, \$1,022.94; Deerfield, \$4,726.81; Eldred, \$4,813.25; Elk, \$1,521.62; Freehold, \$11,862.54; Glade, \$3,833.02; Kinzua, \$2,021.29; Limestone, \$3,563.30; Mead, \$2,464.62; Pine Grove, \$4,900.58; Pittsfield, \$6,180.83; Pleasant, \$3,927.34; Sheffield, \$2,653.22; South West, \$5,173.22; Spring Creek, \$3,701.53; Sugar Grove, \$7,584.43; Triumph, \$3,665.66; Watson, \$3,683.19.

Mackenzie's Column

By DEWITT MACKENZIE
AP Foreign Affairs Analyst

The London Daily Mail—one of the world's prominent newspapers—says the lineup between eastern and western Europe is hardening. It asks whether an explosion therefore is inevitable.

Answering its own question, the Mail thinks an upheaval isn't inevitable. But it declares that the peaceful countries will muddle into a "dirty" world war unless they make themselves so strong as to be unassailable.

It is, of course, apparent that the lineups of the two blocs is hardening.

The western nations are quite openly discussing a powerful North Atlantic Alliance, and are otherwise consolidating their positions.

On the Soviet side there is no disposition to advertise. However the German press reports (though without confirmation) that the Russians are conducting extensive troop movements in their zone of Germany and are staging combined air and submarine maneuvers in the western Baltic.

The Neue Zeitung, official German paper of the American Military government, also says it learns from refugee Balts that the Muscovites are constructing huge new military installations in the Baltic republics with "remarkable haste."

These are but a few of the numerous operations—political, economic, military—being carried out by both sides. The situation is explosive.

However, the consensus of close observers is that war isn't inevitable. Obviously it could develop—but not necessarily.

The preparations being made by both sides strike me as being in large degree precautionary. The west is fearful of an assault by the Communist bloc, but I'll bet a bit that Moscow also is scared. Likely the Russians are more scared, because America not only is by far the most powerful nation on earth but she has the atomic bombs of which the whole world stands in fear.

Actually there is no nation which is prepared to wage war today.

There is one contingency which, as I see it, must produce war, and I have mentioned it in a previous column. The Communists have announced openly that they are out to destroy the "capitalistic governments." Should Communism succeed in overrunning all of western Europe to the English Channel, then an armed clash must be expected between the remaining western powers and the Red bloc.

But western Europe isn't deteriorating. On the contrary, things are improving. Therefore we should be unduly pessimistic to expect a collapse.

It's my belief that, on the whole, we have very good reason to be hopeful. Providing, of course, that we keep our socks pulled up.

If pie dough is chilled thoroughly before it is rolled out it will be much easier to handle. Use the leftover scraps by cutting them out with a cookie cutter and sprinkling with finely ground nuts and sugar and cinnamon. Or cut in strips and sprinkle with grated yellow cheese and paprika for cheese straws.

Winter Diet Is Important Health Factor

Harrisburg—The need for protective foods during the winter and early spring months when body resistance to prevalent infections is low is stressed by the Division of Nutrition, Pennsylvania Department of Health.

"Many Pennsylvanians have been half-since the holidays and longingly look for sunny spring days to make them 'feel like themselves' again," says Mrs. Anna DePlanter Bowes, Chief of the Division, in a news release issued by the Division.

"They do not realize that the bad effects of holiday feasting on excessive sweets and rich foods can influence their health for many weeks.

"Making February food selections at health needs in the family meals can help bring the tonic spring into your homes right now."

Mrs. Bowes suggested that family meals be checked on these five points:

1. Citrus fruits or tomatoes once or twice a day.
 2. Dark green leafy vegetables once or twice a day—preferably raw in the form of salads.
 3. How about milk, whole or skim, or buttermilk for a daily drink? At least a pint a day is good health insurance for adults—more is desirable for growing children.
 4. The daily use of one or more of these protein-packed eggs, meat, fish foods, cheese, dried peas or beans, or peanut butter.
 5. Fish liver oil in liquid capsules or table form for all members of the family. (Yes, it's real liquid sunshine for February gloom).
- To Pennsylvanians interested in obtaining good moderate or low cost family food plans the Nutrition Division, Pennsylvania Department of Health, Harrisburg, will supply them without charge upon request. These plans give the amounts of each kind of food individuals of all ages need. Home-makers can work out their food needs to fit their own families from these plans. The nutritionist will also be glad to discuss them with interested individuals or groups.

SUGAR GROVE

Sugar Grove, Feb. 17—The BBR and Dais Garden Club will meet at the home of Mrs. Delmar Mickelson on Wednesday, February 23.

Mrs. Anna Broughton and Mrs. Gerald Miller entertained the WBSO of the Methodist church at their home at a one o'clock luncheon-meeting. The president, Mrs. F. A. Schoonover, presided. Mrs. Miller acted as pianist for the group singing, and Mrs. Delmar Mickelson was program leader on the topic "Working Together."

Mrs. Frank Conklin and Mrs. Lewis Barlow assisted with the program. The society will sponsor a bazaar the first Saturday in April. Nine members and one guest were present. The March meeting will be at the home of Mrs. Schoonover, with a luncheon at one o'clock.

The Stilson Hill Ladies Aid met with Mrs. Allen Seamans, with dinner served at noon by the hostess and the day spent quilting for the hostess. The president, Mrs. Don Nuttall, conducted devotions and presided at the meeting. Mrs. A. J. Phillips will be hostess for the next meeting February 23rd.

The regular meeting of the WCTU was held at the Free Methodist parsonage with Mrs. Adams, the president, Mrs. Mabel Dallas, of Jamestown, presiding. Miss Mary Hamilton led the devotion on the theme, "Wine, and Its Effects on Mankind," reading from Proverbs, and leading in the Lord's Prayer. Reports of secretary and treasurer were given by Mrs. Theodore Allenson and Mrs. Maude Minore. Twenty-two members were reported on the rolls. Mrs. Minore gave a brief memorial for the late Mrs. Harriett Morison, who was for many years a member of the WCTU. Mrs. Neil Scott read an article about Francis Willard and the meeting closed with prayer by Mrs. Dallas. Ten members, five guests and four children were present. The hostess was assisted by Mrs. Martin Frodelius, in serving refreshments. The next meeting will be at the home of Mrs. Albert Carlson March 11, and all women are invited to attend.

Mrs. J. A. McIntosh entertained the Bridge Club Monday evening. Mrs. E. H. Thorpe received the high score for the evening and Mrs. Harriett Northrop was a guest. The hostess served a lunch in the dining room, with Valentine decorations.

Mrs. Catherine Carr has been spending a few days with her sister, Mrs. Delmar Mickelson.

Mrs. William Saunders is on a vacation trip to Florida.

Mr. and Mrs. Robert Landin and two daughters of Kingswood, W. Va., were recent guests of their parents, Mr. and Mrs. Ernest Landin, coming to help celebrate their father's birthday.

Mr. and Mrs. Richard Hender, of Buffalo, were weekend guests of their parents, Mr. and Mrs. Arthur Cody.

Mr. and Mrs. Frank Dorn entertained a group of friends at cards Friday evening.

Mr. and Mrs. J. A. McIntosh were dinner guests of Mr. and Mrs. R. C. McIntosh Sunday, honoring the birthday of the former.

NOTICE TO RESIDENTS OF MEAD TOWNSHIP
Since starting their campaign for a new fire truck the Claremont Firemen have heard different rumors that from now on they would make a charge for all out of the Borough fire calls.

The firemen wish to announce this is not true, and they do not know who started this rumor, but they never did make any charge for out of Borough calls and will not do so now.

Claremont Fire Department
C. S. Jones, Asst. Chief.
Feb. 17-18

Successful And Enjoyable Birthday Tea Sponsored By Clarendon WSCS

Clarendon, Feb. 17—The WSCS of the Methodist church, with Elgen Simpson and Edna Rader as captains, sponsored a very lovely "Birthday Tea" in the IOOF hall. The room presented a very festive air, with its 12 tables representing the months of the year and each set in lovely colors and varied appointments.

The January table, in charge of Edith Metzgar and Edna Rader, had as its centerpiece a large snow man, which also represented old Father Time. Colors were in green and white, with "Happy New Year" in gay lettering.

Elgen Simpson and Sadie Smith, in charge of the February table, had gay red hearts and streamers for Valentine Day, with a Valentine tree as centerpiece. Mrs. Haag and daughter, Wilda Belle, had arranged a St. Patrick's Day table for March, with shamrocks and white lacy decorations.

The April table, in charge of Grace McBride and Martha Sleeman, presented an Easter appearance, with baskets of gaily colored eggs. Emma Miller and Eva Keefe had carried out a Mother's Day plan in their May table, with dainty pink and white coloring, vases of pink and white carnations and a Maypole centerpiece.

June, the table for the bride's month, was lovely in lacy white and presided over by Dorothy Mottern and Treva Carlson, while the Fourth of July table had red, white and blue cloth and napkins and a huge firecracker for a centerpiece. Eloise Lobdell and Eleanor Springer were in charge.

Mathia Schneider and Mary Campbell had prepared a very pretty summer scene on their August table, with two tiny boats riding on a miniature lake. The September table, in charge of Mrs. Dibble and her daughter, Janie, was made attractive with fall colors, while October, decorated by Genevieve Kinch and Grace Heasley, was bright with the orange and black of Halloween, each person having a crepe paper hat.

Mildred Steele and Jane Nelson brought out a Thanksgiving Day thought with a large basket of fruit, and the December table, in charge of Ina Bauer and Lenore Anderson, presented a Christmas appearance with greens and tiny reindeer.

The ladies deserve a lot of credit for these most attractive tables and for a fine program in charge of Elgen Simpson.

The program was opened with singing of several choruses by all present, Martha Schneider serving as leader. After this, Rosanna Oberg, of the Rapp Dance Studio, entertained with three fine musical numbers. Much enjoyed were the several selections sung by Pete Himes, of Piona, who played his own Spanish guitar accompaniment. Billy Carlson, Warren, was accompanied by Mrs. Dwight Silzle, also of Warren, for his three nice numbers. Little Bonnie Green entertained with three solos and Mary Campbell was in charge of a humorous skit, "Having Your Picture Taken". Dick Haggerty, playing several drum selections, was accompanied by his mother, Mrs. Ruth Hager, and the program was concluded with additional group singing.

The final feature of the evening was the serving of refreshments by the committee and a cake walk in charge of Edna Rader and won by Mr. and Mrs. Richard Metzgar.

The evening was voted a great success and the committee reported the sum of \$81 cleared for church work.

SCOUT LEADERS ARE INVITED TO JAMESTOWN Leaders of senior troops have been invited to attend a training session in Jamestown, beginning Monday February 21st, at the Girl Scout office.

There will be three sessions, the dates for the second and third meetings to be announced soon. The course will cover "Girl Participation," "Vocational Exploration," and "Social Adequacy." Discus-

Get-Together For Penelec Employees

Nearly 300 Pennsylvania Electric employees and their wives in the Warren District are attending a dinner at the YWCA this evening.

This is the first Penelec get-together since the opening of the new Warren generating station, and thus will be an opportunity for the 40 or more new employees with their wives, to become better acquainted with the older company employees in this area.

The theme for the evening will be carried out in red, white and blue in commemoration of George Washington's birthday.

Toastmaster for the evening will be John Grove, of the personnel department. Following the dinner there will be comments by E. R. Williams, chief engineer at the new generating station and J. P. Fenstermacher, Warren district manager.

Music and entertainment will be furnished by Orrie Beebe and his Hammond organ, the Chord Cadets, Miss Oberg of the Rapp Dance Studio, games and a cake walk. During the evening a special door prize will be presented and climaxing the affair, there will be dancing.

MISS STEINHOFF TO ADDRESS LEADERS

The regular meeting of the Leaders' Association of the Warren County Council of Girl Scouts will be held next Tuesday, at 7:30 p. m. at the YWCA with Miss Matilda Steinhoff as guest speaker. Miss Steinhoff will also exhibit Mexican handicrafts. Leaders of Scout troops are invited to attend, along with co-leaders and interested troop committee members.

HYMN SING ENJOYED

A large crowd enjoyed the hymn sing held in the community church at Starbrick on Sunday evening. The congregation was given the opportunity of choosing favorite hymns, which were very capably led by Lee Olsen, of Warren. Mr. Olsen also sang a solo.

Other special numbers included a duet by Mrs. Miller and Mrs.

Hackett; trumpet solo by Mr. Gage, Chanders Valley; piano solo, Mrs. Miller; and two numbers by a mixed quartet composed of Mrs. Guy Schuler, Mrs. Albert Toner, Pearlie Huckabone and Max Schwanke, of Starbrick.

The Ever Ready Class of the Starbrick Sunday school sponsors these hymn sings on the second Sunday of each month. The service begins at 7:30 and the public is cordially invited to come and join in singing the hymns of the audience's choice.

SUN VS. COAL

The energy that reaches the earth from the sun in a single year is equivalent to more than 200,000 times the world's annual consumption of coal.

SOCIETY

Vienna Choir Boys Will Appear Here On February 24th

One of the coming musical attractions for this month will be the presentation on the 24th of the far-famed Vienna Choir Boys, brought to Warren as one of the attractions of the concert series sponsored by the Junior Chamber of Commerce music committee.

The concert will be given at 8:30 o'clock in the Woman's Club auditorium, with admission limited to those holding membership in the "Joyce" series. Under the membership plan, no single admissions are available for these concerts.

It will interest the several hundred members to hear the following comment concerning the choir's recent appearance in Erie: "... a unique concert in a season already filled with unusual concert events. The Vienna Choir Boys presented an evening of charm, fine musicianship and excellent music. Under the direction of Felix Molzer, the compact, excellently trained chorus offered a group of religious selections, lieder, folksongs and 'Bastien and Bastienne', Mozart's utterly charming short opera.

The latter work was done in costume and was a tremendously successful production. The boys enacted roles as hoop-skirted courtiers and of religious gentlemen with freshness, natural humor and delightful candor. And the three principals sang relatively difficult music with wonderfully professional aplomb and savoir faire."

Youngsville BPW Hears Pathologist Speak On Cancer

Youngsville, Feb. 17.—At a well attended February meeting of the Youngsville Business and Professional Women's Club, held at the National Forge clubhouse at Irvine, the guest speaker was Dr. Joseph Sugerman, pathologist of Warren General Hospital.

Mrs. Helen Bunk introduced Dr. Sugerman, who gave a very interesting and worthwhile lecture on "Cancer". His address was illustrated with graphic moving pictures which showed the manner in which cancer moves in the body. His central thought was the benefits of early detection of the disease and of surgery and other means of removing or destroying the diseased cells. An open forum brought answers to many questions put by the audience.

At the business session, Mrs. Dorothy Retterer, president, gave a report of the BPW executive meeting which she attended, in company with several others, in Erie. The session had to do with by-laws and also considered plans for the coming state and national conventions.

The local secretary announced that reservations had been secured for two local delegates' attendance at the state sessions. Well printed and attractively bound copies of "Youngsville Club" by-laws, adopted on November 1, 1948, were distributed to the membership. Names of three applicants recommended by the membership committee were approved at this meeting.

Using a Valentine motif, the following hostesses served a delicious luncheon: Bertha Bradway, Janet Henry, Alice Shurwin, Margie Finlan. The program leader for this month was Helen Piper.

Mr. Hull Talks To Blue Stockings On Book Censorship

Blue Stocking Club members held their regular meeting Tuesday afternoon at the home of Miss Mable Abbott, with Mrs. R. E. Sims as assisting hostess.

The brief business session was conducted by the president, Mrs. C. Vance Weld, who reminded the group of the meeting of the state Federation, which will convene in Pittsburgh in May and urging that those planning to attend will make their reservations early.

Mrs. Arthur Soderholm, Girl Scout Council member, was presented for a very interesting talk on the Scouts and outline of the program planned for the year.

Mrs. Warren Carlin then introduced the speaker of the afternoon, Carl Hull, of Warren Public Library, whose topic was "You Can't Read Too Much". His subject dealt with censorship of books and what has happened to our books through the ages. He gave seven reasons why books are censored and named several just recently banned, explaining the reasons for which this was done. The general discussion which followed was much enjoyed.

Tea was served at an artistically decorated table, which was centered with white gladioli and carnations, flanked by candelabra holding red candles. Mrs. Brackett Ayers and Mrs. Carlin presided.

The next meeting will be held March 1st with Mrs. George Caldwell, Mrs. P. S. Tarbox serving as assisting hostesses.

HOME BILLETTS
No permanent army barracks were built in central or western Europe until about 1800, according to the Encyclopedia Britannica. Until then, troops were simply billeted in the homes of citizens.

WARREN

Best Stuff in the Refrigerator Field

Best stuff in the refrigerator field is this unit, combining a refrigerator with a four-burner stove. The four-cubic-foot refrigerator and stove, which can be equipped with either gas or electric burners, produced in Los Angeles. Pat Reeber pours a glass of cold milk, and she can change her mind and have hot coffee just by reaching up to the stove.

Maple Syrup Producers Hold Meeting

The weather was both cussed and discussed at the first district meeting of syrup producers from counties—Crawford Warren Erie—at Spartansburg Tuesday.

With the normal tapping season to begin within a week, or some producers were uncertain about whether it has already begun. Not many of the syrup are excited, however, and it found none of the larger producers present at the meeting had begun tapping. An estimated 75 producers attended.

Warren is the biggest factor in the manufacture of maple syrup. K. Murphy, forestry extension agent of Pennsylvania State University, told the group. Of the cost of manufacture, labor's amounts to 25 percent, he said.

He stressed the need of cutting production costs. He presented and cost studies in which he had cut that such measures as active culling of unproductive trees and keeping sugar bushes pruned would add to profits. Sugars should be kept common to replace the older ones.

discussing marketing of syrup. Mr. Murphy said the quality is

Cooperative Plans Meet February 26

Chautauqua and Warren county members of the Dairyman's League Cooperative Association will hold their monthly sub-district meeting in Cherry Creek, February 26, according to a report by A. Morelle Cheney, of Bemus Point, league district director.

Delegates will meet in the Grange Hall and dinner will be served at noon.

In addition to conducting regular sub-district business, members will discuss problems currently confronting them in the marketing of their milk.

During the past few months, the 657 locals of the association have been conducting business meetings and elections at their annual meetings. Members have had an opportunity to participate in open group discussions and have gained a deeper insight into activities of their organization by the reports presented by county presidents and directors.

"This is the Dairyman's League," a new league sound film strip, has been presented at these sessions. In technicolor, the film portrays the daily life of a typical league family, and shows the actual operation of a dairy farm.

Sugar Grove Men And Boys Banquet

Sugar Grove, Feb. 17—Forty-two men and boys attended the father and son banquet held in the Methodist church, when Rev. Wayne Furman, pastor of First Methodist church of Warren, was the guest speaker.

He chose as his subject, "I knew Abraham Lincoln," and gave an interesting reading, which was of interest to all ages.

The program also included two vocal solos by Mrs. Travers Stohler and three films shown by James Boyer, one of which was on Pennsylvania.

F. A. Schoenover was chairman for the evening, on account of the illness of the pastor, Rev. E. L. Bolling.

The dinner was served by the Women's Society of the church, with dining room decorations for Valentine Day.

Barnes PTA Is Observing Founders Day

Barnes, Feb. 17—The local PTA is observing Founders' Day with a party at the schoolhouse Friday evening. The affair will start at 7:30 p. m. and there will be a program. Frank Rudolph will show several reels of pictures and there will be several numbers by the pupils. Lunch, consisting of cake and coffee, will be served. An offering will be taken.

The WSCS of the Methodist church is holding an all day's quilting and dinner in the church basement today, with hopes of finishing the quilt which is on the frames.

Mrs. Gertrude Johnston, of the home economics extension service, met with the ladies of Barnes for their second meeting of this year. Ten ladies were present and a most enjoyable and educational afternoon was spent together. The cooking lesson had to do with food mixes. Mrs. Johnston taught the ladies how to prepare pie crust, biscuit and gingerbread mixes and several variations of these mixes were baked. For their lunch, the ladies enjoyed biscuits and jam, coffee roll, gingerbread and tarts. Next week they will learn to make salad dressings and different kinds of salad combinations. The date is Friday afternoon, February 25th and the meetings start promptly at 1:30 p. m.

Mrs. F. H. Pittcock and sons, Dick and Fred, of Kane, were dinner guests at the home of Mr. and Mrs. Jack Pittcock Friday evening.

Mr. and Mrs. William Smith, of Blairsville, were guests at the home of Mr. and Mrs. Raymond Billstone Sunday afternoon.

Simon Conier is visiting his mother, Mrs. Grace Conier.

Miss Gloria Wharton returned to her work at the Warren State Hospital Sunday evening, after a week's vacation with her parents, Mr. and Mrs. Wayne Whitton.

Mr. and Mrs. Donald Lyle have returned to Pittsburgh after spending their between-semester vacation at the homes of their parents, Mr. and Mrs. John Swanson, of Sheffield, and Mr. and Mrs. J. B. Lyle, of Barnes. Donald is a pharmacy student at the University of Pittsburgh.

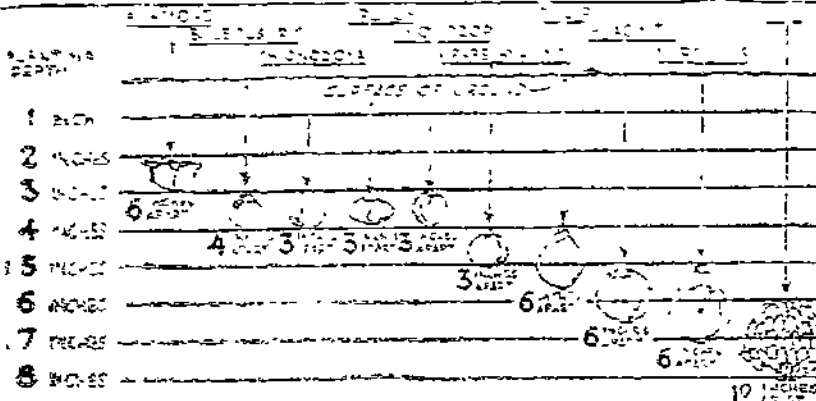

Mr. and Mrs. L. L. Huston are leaving this week for St. Petersburg, Fla., where they will be the guests of Mrs. Huston's sister, Mrs. E. L. Shippey, for the next month or so.

Mrs. Norma Small and daughter, Miss Myrna Small, of Gifford, and Mrs. Charles McFadden, of Kushnoga, were guests at the home of Mr. and Mrs. H. L. Caldwell Thursday.

Mr. and Mrs. Ernest Robinson and son, Melvin, of D'Young were dinner guests at the home of Mr. and Mrs. Jack Pittcock Sunday.

Mr. and Mrs. Walter Hoyer mo-

Right Depth of Planting Vital with Fall Bulbs

Keep This Bulb Planting Depth Chart. It Will Be Helpful to You

Fall bulbs should never be planted in poorly drained locations. In your garden in low lying places where water never stands, but always quickly runs or drains away, then such a place may be created by elevating a bed six inches or more above the surface.

Remember that newly turned soil settles, so deep in above the bulbs an inch or two, to avoid leaving a depression in the garden. This depth of planting is for the bulb which may be considered permanent; deeper planting may often be advisable. One of the chief hazards for all bulbs is "frost heaving," due to alternate freezing and thawing of the soil, which may lift shallow rooted plants out of the soil. Bulbs planted so late they cannot make roots in the fall are likely to suffer from it; and large bulbs not set deep enough will often be injured.

When it is desired to allow bulbs to remain in place for several years, plant them deeper. For example, year after year dig them up after they have bloomed and their leaves have turned yellow each summer; they should be planted two or three inches deeper than the normal depth.

Deep planting may cause difficulty to be come. Next year, so all bulbs which it is desired shall blossom at the same time should be planted the same depth.

The bulbs which need deep planting (7 to 10 inches) are those that make roots on their stems above the bulb. These include the tulip, which does not do this, needs shallow planting, 3 to 4 inches down.

More Comfort Wearing FALSE TEETH

There is a danger of false teeth becoming loose and falling out, especially if they are not properly fitted. This may help to avoid heavy concentration of fishermen which occurs at the opening of each season.

Supervisor Anderson has conferred with Chief Oculist Ross, Butler of the Pennsylvania Board of Fish Commissioners to work out a plan which will effectively coordinate State and Federal stream stocking. Heavy fishing pressure of recent years has greatly increased the need for stream stocking in this area. Mr. Anderson explained. The demand for fishing exceeds the supply by a wide margin but the added stock available from the Farnsworth station will go far toward meeting this need. Mr. Anderson added.

Local Fish Rearing Station Ready To Release Trout Crop

Plans for distributing trout from the Farnsworth trout rearing station to streams on the Allegheny National Forest have been completed and distribution of the 1949 crop of fish will be started around May 1, according to Forest Supervisor A. H. Anderson of Warren.

The Farnsworth Rearing Station was constructed by the U. S. Forest Service before the war. It is operated by the U. S. Fish and Wildlife Service under a cooperative agreement with the Forest Service. Pond and reservoir at the station were stocked with smelt trout from the Lehigh Pa. Fish Hatchery last summer and they have now reached a stage of nearly six months' growth. The station hopes to have a 6 to 8 inch length average for a crop of 100,000.

In continuing to plant the stocking trout streams in the National Forest area, Supervisor Anderson emphasized that the Farnsworth station is a "supplement" to the Pennsylvania Department of Fish and Game's "main" hatcheries. A lot of trout to be stocked during the 1949 season was donated to the station by the Forest Service. The station was donated to the Forest Service by the State of Pennsylvania and the Forest Service.

tored to Oil City Wednesday evening and visited until the next day at the home of their son and daughter-in-law, Mr. and Mrs. Bertrand R. Hoyer.

Mrs. Ben Allen attended a birthday party in Sheffield Sunday evening honoring Mrs. Carl Danielson.

Mrs. J. C. Curtin was tutor for court in Warren the first of the week.

Mrs. Wayne Whitton was in Tidoute Wednesday to attend the funeral services for Mrs. Blanch Spencer.

Mr. and Mrs. James Scallie, of Weldbank, were callers at the home of Mr. and Mrs. Jack Pittcock Saturday evening.

Mrs. W. B. Stoddard, of Clymer, N. Y., Mrs. Ruby Stoddard and son, Richard, of Tacoma, Washington, and Earl Brightman of Chico, Calif., were Sunday guests of Mr. and Mrs. Harry Silvis. Mr. Brightman, who is Mrs. Silvis's brother, remained for a week's visit. Mrs. Silvis celebrated his birthday Tuesday with a nice dinner, another guest being their cousin, Mrs. James Variopolous, of Sheffield.

Mr. and Mrs. Will Eunk were week-end guests at the home of Mr. and Mrs. R. E. Curtin.

Mr. and Mrs. Harry Shaw motored to Corry Thursday and visited at the home of Mr. and Mrs. Donald MacMartin.

IRVINE

Mr. and Mrs. Ross Walters visited her mother, Mrs. Amy Foote, in Hamot Hospital in Erie Saturday.

Mr. and Mrs. Titto spent Sunday in Erie.

Mrs. William Offerle returned to her home in Warren Sunday after spending several weeks at the home of her niece, Mrs. Robert Brown.

Mrs. Earl Easton spent Friday and Saturday in Sheffield helping her mother, Mrs. Ray Cole, dispose of her household goods. Mrs. Cole expects to make her home here with her daughter.

Dennis Murphy and Chester Westfall were callers in Emporium Saturday.

Mr. and Mrs. Lloyd Higgenbottom, of Jamestown, N. Y., were week-end guests at the home of her sister, Mrs. Chester Mason.

Mrs. Laverne Nichols, of Corry, spent part of the week at the home of her parents, Mr. and Mrs. N. B. Huling, helping to care for her grandmother, Mrs. Anna Brezelle, who is very ill.

Harold Fowers, of Erie, spent the weekend at the home of his nephew, Denny Murphy, and family.

Frank Olander and Lorena Groce, of Warren, were recent guests at the home of Miss Connie Anderson.

Mr. and Mrs. Jerry Kingsley, of Clarendon Heights, were Sunday guests at the home of Mr. and Mrs. Paul Nichols.

Mr. and Mrs. Harry Huckabone, of Warren, were dinner guests at the home of his father Monday.

Benton Nulph, of Scotch Hill, and Mabel Smith, of Leeper, were Sunday callers at the Leigh Nulph home.

CLOSE-GRAINED LEATHER
Cordovan leather is made of horsehide and has the closest grain of any leather. It takes its name from the city of Cordova, Spain.

Moslem troops from North Africa landed at Gibraltar in 711, and established power in Spain which continued until 1492.

Court Edict Important To All Workers
The Pennsylvania Superior Court in a recent decision has ruled that a worker, unemployed because of a mine shutdown for vacation purposes, is not eligible for jobless benefits even though he received no vacation pay, where the general vacation period was granted under the terms of a bargaining agreement between labor and management.
David W. Levine, manager of the Warren office of the Pennsylvania State Employment Service, pointed out that the Superior Court decision in the case of John A. Matney will apply to many workers in this area under similar conditions. The case clearly establishes that where a labor-management contract provides for certain annual vacation periods, a worker who is a member of that union and takes a vacation in accord with the contract terms, is not eligible for unemployment benefits during that period, even though he may receive no pay for the vacation time.
The court declared that a worker on vacation is not unemployed within the meaning of the law since the relationship of employer and employee is not terminated and his job is preserved for him. Secondly, the worker is not available for suitable work as required by the law, since he is on vacation and intends to return to his regular job at its close. Finally, the law specifies that to be eligible, a claimant must be unemployed through no fault of his own, and in such vacations the work stoppage is voluntarily agreed to by the claimant's agent, the union, and therefore is voluntary on the part of the claimant.
A number of benefit claims by local workers covering vacation periods which have been held in the local Employment Service office pending this decision by the Superior Court, are now ineligible, Manager Levine explained.

REFEREE BATTLE
City police were called to referee a family battle on Pennsylvania avenue, east, shortly after midnight this morning. All was peaceful when they left.
PLAN GIRL SCOUT CAMP
An Oil City committee reports that \$8,500 has been raised toward a fund of \$35,000 for establishment of a Girl Scout camp near Oil City. A solicitation is to be made in numerous nearby towns that would benefit from the camp.
SPECIAL STUDY
By an Swanson, teacher of voice in the Warren Conservatory of Music, is spending a few days in New York City, doing some special work in voice culture with June Burgess, also, with Edith Brown, of the Juilliard School of Music.
DIAGNOSIS CONFIRMED
Mosanna St. Pierre, five-year-old daughter of Mr. and Mrs. J. D. St. Pierre of Corry returned to that city yesterday from New York City, where cancer specialists confirmed a diagnosis made at Corry Hospital that the child has cancer. Physicians on the case also confirmed the previous report that medical science cannot help the sufferer.
FIRE INVESTIGATION
Firemen and police were called to the United Cigar Store at Second and Liberty last evening at 10:12 o'clock when steam was noticed backing up into the store. Investigation disclosed that the cause was an overheated hot water tank in the James Jewellers store next door. There was no fire and the gas was shut off. Equipment returned to the fire station at 10:52 o'clock.
TRAIN HITS TRUCK
One of the later type rubber-tired baggage trucks used by the Pennsylvania Railroad was badly damaged at Corry yesterday when rammed by an Erie diesel locomotive having a eastbound string of freight cars. The baggage truck had been left without the locking chain in place and was driven onto the track by the strong wind. Fortunately, the truck was shoved aside by the force of the impact and the engine, which was traveling at a fast rate, escaped derailment thus averting what might have been a serious accident.

20 Warren Keglers Entered In ABC Tenpin Championships

Twenty local bowlers will represent Warren in the 48th annual American Bowling Congress tenpin championship tournament now under way at Atlantic City.

The local keglers are slated for five-man, doubles and singles action for April 2, 3 and 4. Competing the five-man teams will be: Dykes Dairy—Myron Check, Frank Willard, Barney Malone, Jim Scalse, and Jim Urbanski; Texas Lunch—Harry Wooster, Harry Clepper, Harry Wooster, Jim Thomas and Bob Check; Knights of Columbus—Pete Juliano, Sam Cosmano, Dr. Jim Giunzio, Paul Coppola and Frank Gerardi.

Mountain Top Beverages—Sam Gerardi, George Yarzabek, Fred Gagliardi, John Salamon and Tony Fazio.

Youngsville Legion Is Host To League

Warren Revolver League match scheduled last night on the newly opened Youngsville American Legion range, resulted in a 961 to 803 win for the Cornplanter Gun Club over Youngsville, and a 911 to 829 triumph for the Legion squad over the State Police.

Holding high guns were John Schuler of Cornplanter and J. Thompson of Youngsville, each with a 260 score. Holmes was a 224 for the State Police; and Ruhman and Watson, each with 216 for Youngsville.

The Legionnaires served coffee and doughnuts following the shoot.

Team standings:

W.	L.	Pct.
Irvine	5	0.1000
Cornplanter	5	1.833
Company I	4	1.800
Youngsville Legion	4	2.867
Game Wardens	1	4.200
Warren Police	1	4.750
State Police	1	5.167
Sylvania	1	5.267

Thursday's schedule: Company I vs. Irvine; Warren Police vs. Game Wardens.

Sport Card Lists Basketball Tonite, Friday and Saturday

It's basketball aplenty tonight, tomorrow and Saturday for followers of the cage sport in the Warren district.

The spotlight tonight will be on the Warren Y court where two classy City league tilts are booked. At 7:30 o'clock, Struthers Wells will tangle with the Rockets, while an hour later, the pace-setting Style Shoppers battle the Warren Business School.

Feature attraction for Friday night's card is the Section Two league scrap between the Warren High Dragons and the Oil City Oilers on the Oil City hardwood. The game will start at 8:15 o'clock, and will be broadcast over WNAE-FM.

The Massmen must win against Oil City to keep alive any hope of coping the Section Two crown.

Other scholastic games Friday night pair Titusville at Meadville in another Section Two tilt; Youngsville at Sugar Grove and Tionesta at Hickory in Upper Allegheny Valley League scraps; Sheffield at Ridgway and Johnstown at Kane in Allegheny Mountain League battles; Emporium at St. Marys; and Pleasantville at Sagertown.

Saturday night's attraction will be a non-league scrap on Beatty court between the Warren Dragons and Erie Academy. This game also is slated for 8:15 o'clock with a preliminary at 7, and will be broadcast over WNAE-FM.

BOWLING SCORES

ELKS LEAGUE: L. Loding, rolling the clean-up slot for Donnellys, splattered the sticks for a 223-169-189-581 series to lead his squad to a clean sweep of the match points over Steins last night. In other league scraps, Lewis Market bested Stone and Webster, 3-1; Cities Service beat Smiths Lumber by the same score; and West Penn took a forfeit win over Struthers Wells.

Scoring:
 Donnellys ... 816 807 799-2422
 Steins ... 799 780 771-2350
 Lewis Mkt. ... 750 783 811-2344
 Stone-Web. ... 695 775 801-2271

CITIES SER. ... 867 748 820-2435
 Smiths ... 748 854 826-2428
 West Penn ... 780 800 773-2353
 Struthers ... Forfeited

CONEWANGO LEAGUE: Carter, paced by Gibb's 220-181-196-597 series, shelled the Elliotts in a league scrap last night. Lutz was top man for the losers with 181-169-221-571. Scoring:
 Carters ... 821 836 895-2652
 Elliotts ... 827 752 855-2434

KNIGHTS OF COLUMBUS: Canisius held fast to its grip on the top rung of the K. of C. Division ladder by copping three match points from Holy Cross on Arcade lanes last night. In other tilts, St. Marys tripped St. Bonaventure, 3-1; Boston College whitewashed Villanova; and Marquette topped Notre Dame, 3-1.

P. Gray, toiling the line for Holy Cross, fired a 163-209-185-557 series, while Mike Bleach, anchor for Canisius, rattled the maples for games of 180, 188 and 181 for a 549 aggregate.

Team standings:

W.	L.	Pct.
Canisius	19	9.679
Boston	17	11.607
Marquette	16	12.571
St. Marys	16	12.571
St. Bonaventure	15	13.536
Notre Dame	13	15.464
Holy Cross	9	19.321
Villanova	7	21.250

Leaders
 High game—Mike Bleach, 246.
 High three—John Salamon, 663.
 High team score—St. Bonaventure, 950.
 High match—Marquette, 2666.

NEWELL PRESS LEAGUE: The old scoring records were tossed out the window as the result of

★ THE SCOREBOARD ★
In Gavle, Sweden, to Find a Runner, Just Go to Firehouse

BY HARRY GRAYSON
 NEA Sports Editor

NEW YORK—(NEA)—Ralph Colson was speaking of the fire department in Gavle, Sweden. "Those firemen got to fires in a hurry," said the chairman of the New England AAU track and field committee, "and it didn't matter how far away the blaze was. They ran like blazes."

"Their names were—and are—Gunter Hagg, Ingvar Bengtsson, Henry Ericksson and Goesta Bergkvist."

Hagg, of course, was the daddy of them all, still would be had they not declared him a professional. Bengtsson is now running on eastern boards with his countryman, Erik Ahlden. Ericksson and Bergkvist finished first and fifth, respectively, in the Olympic 1500 meters. Ahlden and Bengtsson have been training for their current visit since September.

Ahlden outprinted Belgium's Gaston Reiff when the belding Olympic champion threw a shoe in Boston, winning a thrilling two-mile in 8:55.5, fast time on boards, and within reach of Gregory Rice's record of 8:51.

Bengtsson, set back by ulcerated teeth and penicillin shots, is returning to the form that carried him to two victories in as many nights at the start of the campaign in Philadelphia and Boston.

Matty Geis, the Princeton track coach, said Bengtsson was ready to do 4:10 the night he ran dead last behind Wisconsin's Don Gehrmann in the Wanamaker Mile of the Millrose Games at Madison Square Garden. But he had been minus his bad teeth only 24 hours.

So the man conducting the swift Swedes' Stateside training knows what he is talking about. The Swedes, you see, train and reside at Princeton.

"They were in shape when they arrived, and now run four or five miles over the cross-country course every morning and work on the board track in the afternoon," said Geis. "Many Europeans wait until they get here to start getting in shape, and never make it."

BUGS BUNNY

WASH TUBS

Record Low Score Rolled At The A. B. C.

Atlantic City, N. J., Feb. 17—(P)—A new kind of modern bowling record was entered in the books of the American Bowling Congress here late yesterday when a pair of Reading, Pa., bowlers finished their doubles event in the 48th annual ABC tournament at Convention Hall.

Lawrence Mouse and Luther Wildermuth have the dubious distinction of having rolled the lowest doubles score in modern ABC tournaments and the second lowest score in the 46-year history of the organization. They had a three game aggregate total of 680.

Record books of the ABC show that only once before has a team ever rolled a lower score. A pair of Chicagoans named Garrity and Williams hit 679 at the Peoria tournament in 1915.

The entire day and nights shooting failed to produce one change among the first place holders in the team, doubles, singles and all-events.

PANTHERS WIN, 36-29, OVER YELLOW JACKETS

Panthers, led by Hampson with 11 points, posted a 36-29 triumph over the Yellow Jackets in YMCA Junior Basketball League action on the Y floor yesterday.

The Panthers were ahead, 15-13, at intermission, and succeeded in widening the victory margin to seven points in the home stretch.

Score by quarters:
 Y. Jackets ... 9 4 5 11-29
 Panthers ... 7 8 9 12-36

Only Injured Heart Disease Hogan Absent Plea Issue At Houston By Governor

Houston, Tex., Feb. 17—(P)—Only injured Ben Hogan was missing today as 150 golfers teed off in the first round of the \$10,000 Houston open tournament.

George Schneider, Professional Golf Association Tournament director, said all regular members of the PGA winter circuit except Hogan have checked in at the new and difficult Pine Forest Country Club course.

They are top money winners of the current winter tour—Jimmie DeMaret, the colorful Houstonian who plays out of Ojai, Calif., and Lloyd Mangrum, a native of Dallas but now a Chicago resident.

DeMaret, current money leader with \$5,862.50, saw his 1949 tournament income pass the idle Mangrum last Sunday when he played his best 18-holes of the season to gain a tie for fifth place in the Texas Open at San Antonio.

Mangrum, who sat out the San Antonio tourney, has won \$5,755. Hogan, recovering from serious injuries received in a West Texas automobile collision, ranks third with \$3,823.33.

FIRST MULE
 Production of mules in the United States dates back to colonial times, when the King of Spain presented a jack to George Washington.

FUNNY BUSINESS

By Hershberger

"What do you mean, a clever show man? It's my husband—I have to keep him standing up here till mother gets back to sleep!"

THE NATION TODAY

By JAMES MARLOW
Washington—(AP)—Looks like dough comes first when college boys pick a job.

You mean they'd put pay ahead of doing a public service, like working for the government? Sure.

That's what the Hoover commission found after sending questionnaires to 3,448 seniors in 84 colleges.

The commission is headed by former president Herbert Hoover. It's been working 16 months to find ways of making the government better.

And it told congress it learned these things from questioning the college seniors:

Over half the seniors said salary is the most important thing to them in choosing a job.

And the pay in the government, they said, isn't as good as in private business.

On three less important counts they said government work was better than private business:

Their job in the government would be safer; the government would give them more chance for public service; and there would be more benefits like leave, or time off, and retirement pay.

This will give an idea of what a merry-go-round the government is in hiring and keeping people:

In 1939 only 900,000 people were working for the government. The war came and by 1945 there were 3,700,000 people on the payroll. There are still 2,100,000.

This drop from 3,700,000 was due to the government's getting back on a peacetime basis and dropping temporary, or wartime, workers.

But—since 1945 the government has released or lost 3,900,000 employees and hired 2,800,000.

When you add the 3,900,000 dropped since 1945 to the 2,800,000 hired since then, you wind up with a total of 6,700,000 people who moved in and out of government jobs in only three years.

This is a pretty sad story for people who may be thinking of

SIDE GLANCES

By Galbreith

"You've got more shirts to wash than you used to have, Mrs. Jones—I guess prosperity means more work for all of us!"

Farmers Of State Hit By Falling Prices

Harrisburg—Farmers of Pennsylvania, hit by falling beef and hog prices, experienced greater price declines than farmers of the Nation during the first month of 1949 compared with the last month of 1948. The State Department of Agriculture announced today.

The index of prices received by Pennsylvania farmers for principal agricultural products declined eight points during the month ended January 15, a Federal-State survey disclosed. At the same time there was no change in the index of prices farmers must pay for goods and services such as labor, machinery, interest and taxes.

Small grains, except barley, advanced from one to six cents a bushel. Corn at \$1.40 was two cents a bushel, but \$1.09 less than a year earlier. Potatoes advanced 10 cents to average \$1.70 a bushel.

el. Soybeans were down 25 cents to \$2.35 and apples declined 25 cents to \$2.70 a bushel.

Hogs and beef cattle were off \$1.00 per hundred pounds

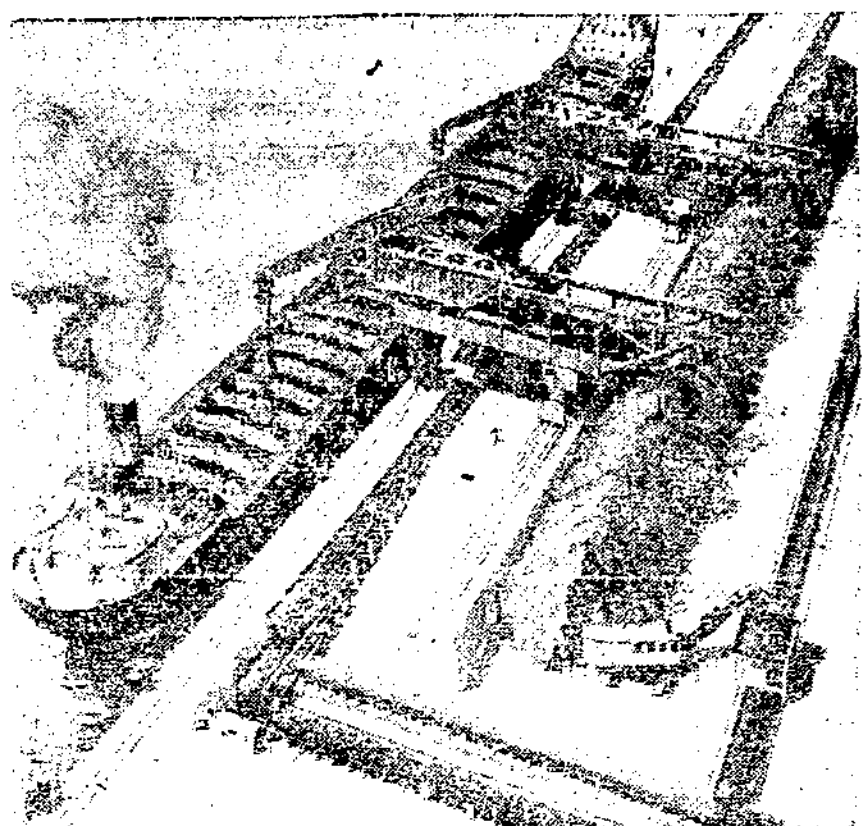

Scout Leader Will Address Men And Boys

Youngsville, Feb. 17.—A change is announced in proposed plans for the men's and boys' dinner to be held in the Methodist church next Wednesday evening. Rev. W. T. Lane, of Warren, will be unable to be present and his place will be taken by Frank Parker, county Boy Scout executive, who will show the film, "Future Citizens of America."

The Brotherhood of the Evangelical United Brethren church entertained men of the Methodist and Saron Lutheran churches Monday evening, with Rev. Baker, pastor of the Wesleyan Methodist church at Pittsfield, giving a very helpful and practical talk, which was inspirational in character. Several numbers were given by the men's chorus of the host church and a period of song followed the luncheon.

Mr. and Mrs. Roy Crandall entertained Saturday evening at the National Forge club house in honor of the birthday anniversary of their daughter, Miss Thelma Crandall. About 10 guests were present, nearly all of whom were members of the senior class of Youngsville High school, of which Miss Crandall is a member. A delicious two course luncheon was served by the Anderson sisters of Pittsfield. Music for dancing which the young people enjoyed, was provided by Miss Nancy and James Sturdevant of Warren playing record and drums. There were tables arranged for games for those who preferred that type of entertainment. All present enjoyed the clever imitations of famous radio stars as given by Miss Laura Maron, of Starbuck. Miss Crandall received

Lake Terminus for 130-Mile Belt

This is an artist's drawing of how the Lorain, O., terminal of the projected Riverlake Belt Conveyor Lines will look when in operation. Iron ore is loaded directly from the ship to the southbound belt, to be transported to the Ohio River. Some old grades of ore are stockpiled on the dock. A northbound belt (not shown) carries coal from the southern terminal, near East Liverpool, O., to Lorain.

many gifts from her class mates.

WCTU members will meet Friday afternoon at the home of Mrs. Frank Johnson, with Mrs. Boland as co-hostess and Rev. E. W. Chitester as speaker.

Mrs. Louise Zahmiser has gone to Florida, where she expects to spend several weeks. Rev. E. W. Chitester has received a special bag for shipping goods

used clothing to Europe for needy people, part of the clothing project of the church which is sponsored by Rev. Fred Funt. This clothing can be brought to the church and placed in the main entrance room or vestibule. As soon as the bag is filled it will be sent.

Some Youngsville residents have pansies in blossom, and a Bates street resident reports a flock of robins was seen recently between

Vets Club At Sheffield To Present Show

Announcement comes from Sheffield that next Monday evening, February 21, the Sheffield Vets club will present a show in the high school auditorium under the title of "A Bit of Variety."

This program is indicated as something new in the entertainment field for that community and will include music, dancing, magic and juggling.

In the feature spot will be Chuck Tranter, WNAE announcer, who will show his entire public that he is also a magician of more than ordinary ability. He will be followed by Rosanna Oberg, a petite dancer and singer, who will charm her way into the hearts of those in the audience.

Bob Hart, of Warren, will then put on his juggling and magic act, assisted by his wife, who will emcee the show. The Chord Cadets will follow and are famous for their good programs.

The program is designed to last two hours, with plenty of variety to make it an evening long to be remembered by those attending.

Tickets are on sale by members of the club and the curtain rises at 8 p. m., sharp.

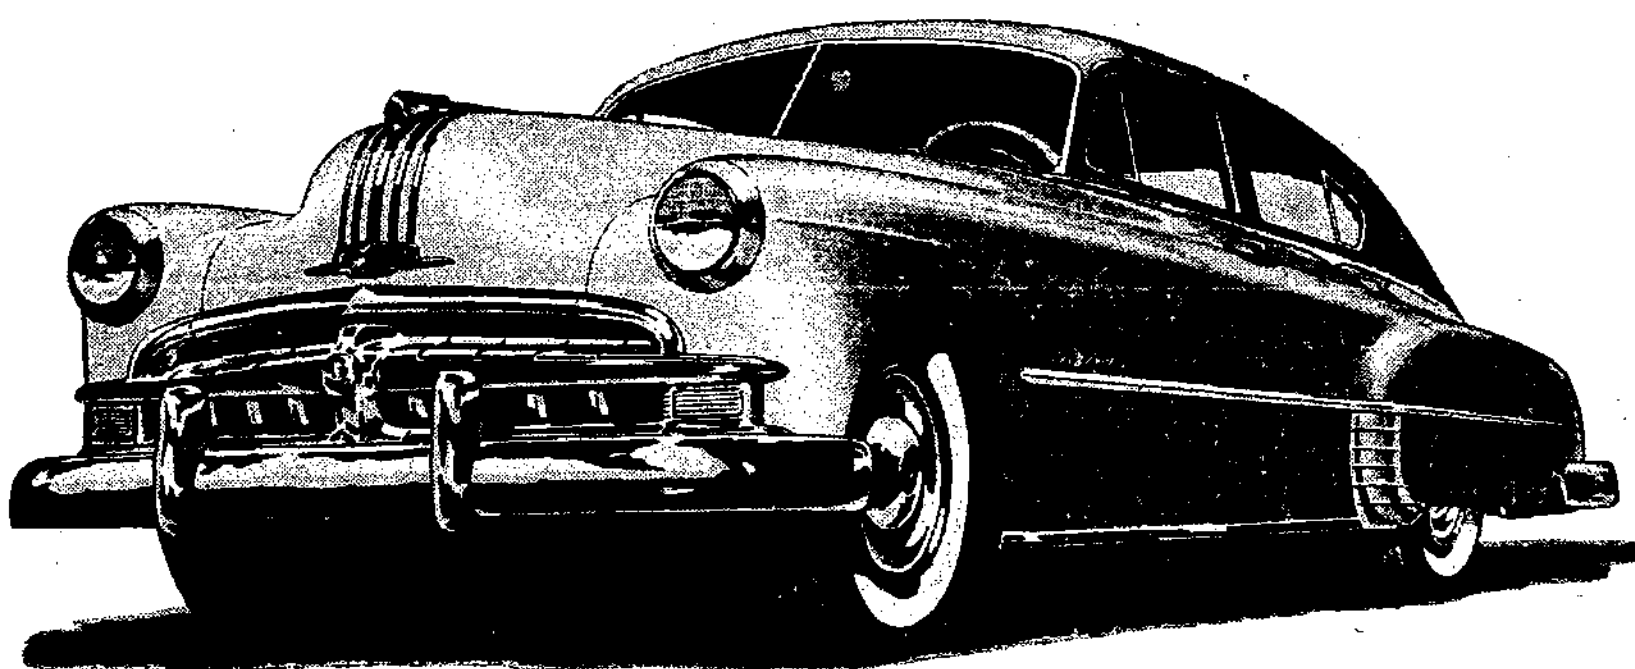

LARGEST SECRET SOCIETY
Largest membership of any secret society in the world is that of the Chinese Hung or Triad Society. Founded in 356 A. D. to spread religion, it later became a political organization.

Kinzua and Corydon. Several from Youngsville were in attendance at the Masonic Consistory meeting at Coudersport. C. E. Spencer has just returned from a visit with his son, Howard, in Philadelphia.

TIPS FROM THE GAME PROTECTOR

The weasel, known also as ermine, is a member of the ferret family. Its body is long and slender, its legs short. Of the many types of weasel residents on this continent, the New York weasel is the most common in Pennsylvania. The Allegheny Least Weasel is found hereabouts occasionally. The

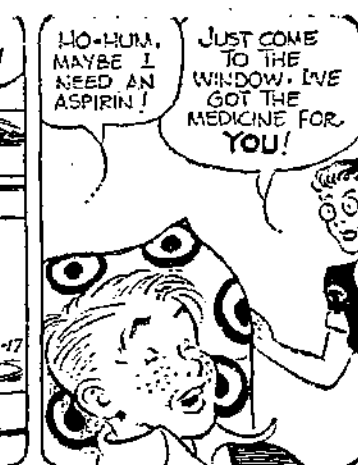

Bonaparte, too, appears in the northern counties. The New York weasel is larger than the Allegheny Least Weasel; may attain a body length of ten inches. The tail of the former is much the longer. In summer, the pelage of the upper parts is brown while the under parts are whitish. The tail tip of the New Yorker is black. In this state the winter pelage is often pure white, except for the tail of the New Yorker which remains black, but either body col-

oration may be the case in winter. The weasel is a blood-thirsty, active little predator that travels mostly on the ground but has the ability to climb trees. These fearless little beasts feed principally on small mammals and birds. In killing, their method is to seize a bird or animal by the throat or to crush the victim's skull between their powerful jaws. In Pennsylvania, bounty is paid out of the Game Fund at the rate of \$1.00 each for claims probated within

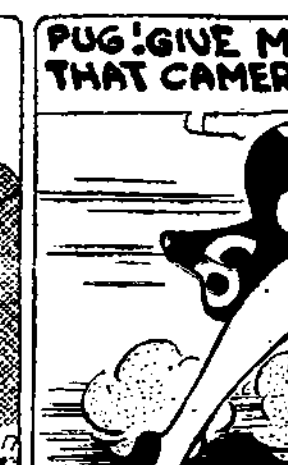

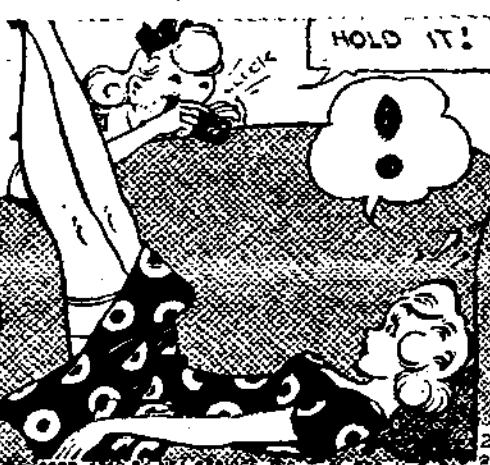

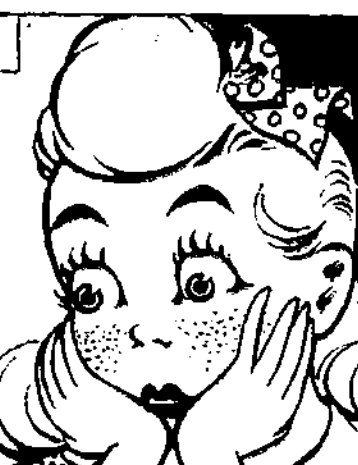

four months after the date of killing.

Stroup Company, The Style Shop, Times Publishing Company, Triangle Shoe Store, Turner Radio Shop, Valone's Shoe Store, Warren-Hudson, Inc., Watt Office Supply, Waxman's, Western Auto Associate Store, F. W. Woolworth Company.

Route 6 Job Progressing At Fast Pace

Kane—Steady progress on the Route 6 construction project west of Kane was revealed, with heavy equipment moved from fills nearby to an arch construction about 7 miles from here.

Work is progressing well ahead of schedule as result of unusual weather conditions and fills near the thorough line and at a point two miles west of Kane have been smoothed up as much as can be done.

At the arch construction, three shovels are in operation to provide a 75,000 yard fill, probably the biggest of the job. The concrete work on the arch was completed before winter.

A small stream goes under the highway at the long arch which is large enough to drive a car through. The location of the big fill and arch is just a short distance from west end of the project.

It was reported today that the construction company is taking advantage of every minute of good weather to advance the work so that the job can be completed by June 15.

Anniversary Of Scouting Observed In Ludlow Party

Ludlow, Feb. 17.—The annual Scout and Dad dinner, in observance of the 39th anniversary of Boy Scout Week, was held in the American Legion hall with an attendance of 89 persons.

Dinner was prefaced by the singing of "America", directed by Mrs. Ben Connelly and accompanied by Explorer Scout Paul Johnson, after which the Rev. Herman Davidson gave the invocation.

The program continued with Walter Cox, Ludlow District chairman, as toastmaster. After a short resume of Scouting in Ludlow, Mr. Cox announced the resignation of Ernest Carlson as Troop 50 leader and Vernon Swanson as Cubmaster, after years of service. He complimented both men for their untiring efforts and stated he was happy to be able to announce that Harry Carl, former assistant leader, will assume the direction of Troop 50, with the assistance of Vernon Swanson and Allen Peterson. Explorer Scout Leader George Zeeder will have as his new assistant David Swanson, just recently returned from the army, and the Cubs will be taken over by Ben Connelly. Ernest Carlson responded for the two. It was also announced at this time that Leroy Johnson is retiring as Cub chairman.

C. W. Rogers, of Warren, was a guest and gave a short talk, after which Executive Frank Parker, also of Warren, gave some Scouting statistics. The chairman then introduced the evening's speaker, the Rev. Carl Jones, of the Kane Baptist church, who gave an inspiring talk especially suited to youth, "I Dare You", with four main "dares" for the future.

Presentation of certificates showing promotion in rank was made by J. B. Connelly, with sweaters given by Mrs. George Olmsted to leaders, assistants and to all boys who have advanced a rank during the past year. These were distributed by E. W. Johnson. The following boys received certificates and sweaters:

Explorer Scouts—Gordon Beers, George Ciprich, James Christensen, Donald Federko, John Federko, Robert Gorman, John Gidos, Paul Johnson, Mike Kulka, Virgil Nelson, Eugene Turay, Edward Stranava, Troop 50—Ronald Giffert, Lewis Jones, Cubs—Freddie Johnson, Tommy Safstrom, Teddy Snyder, Jackie Thornton, Jerry Walters, Tommy Kontes, Calvin Carlson, Michael Swanson, Kester Connelly, Carl Calhoun, Danny Bires and Gary Swanson.

Leaders Vernon Swanson, Ernest Carlson and George Zeeder presented the Cub, Scout and Explorer badges.

The highlight of the evening, along with the speaker, was the presentation of Ranger badges and awards by John G. Johnson to his son, Paul, and by Arthur Christensen to his son, James. Both boys have formerly received the Eagle

Award and now attain the highest distinction Scouts achieve, the Ranger badge in the Explorer group. They have the added honor of being the first boys in the county to receive the awards. Christensen has 29 badges to his credit and Paul Johnson has 21.

Singing was enjoyed under the leadership of Mrs. Connelly, with Mrs. Emil Nelson as accompanist. The program concluded with the benediction pronounced by Rev. Hans Pearson.

Dinner was served under the auspices of the Lutheran Circle, with Mrs. William Hanson and Mrs. Ray Swanson as co-chairmen. Mrs. E. K. Connelly and Mrs. Gust E. Anderson were co-chairmen of the dining room; Mrs. E. W. Johnson and Miss Tillie Olson, co-chairmen of the table committee, with the president of the circle assisting.

The general committee on arrangements was in charge of Lawrence Olson, assisted by John G. Johnson and Clair Gardner.

County Ministers Complete Plans For Lenten Articles

Cooperating with the Warren County Ministerial Association, the Times-Mirror has again completed plans for a series of Lenten Sermonettes to be published daily in the six weeks immediately preceding Easter Sunday.

Rev. J. D. Abbott, pastor of Pilgrim Holiness church and chairman of the committee in charge of drawing up the schedule for the series, announces the following dates and writers and suggests that each one clip and save the schedule for future reference:

March

1—Rev. William T. Lane, Emanuel Evangelical and Reformed.
2—Rev. Harold L. Knappenberger—Grace Methodist.
3—Rev. Robert C. Knapp—North Warren Presbyterian.
4—Rev. A. J. Kimmel—First Evangelical United Brethren.
5—Rev. James C. Kelly—Epworth Methodist.
6—Rev. E. D. Hulse—Sheffield Methodist.
7—Rev. Nore G. Gustafson—St. Paul's Lutheran.
8—Rev. Wayne Furman—First Methodist.
9—Rev. L. W. Frank—American Sunday School Union, Torpedo.
10—Rev. J. F. Collins—Free Methodist (Superannuated).
11—Rev. Earl W. Carlson—Saron Lutheran of Youngsville.
12—Rev. Harold V. Lindquist—Youngville First Evangelical United Brethren.
13—Rev. Grant L. Mottern—Clarendon Methodist.
14—Rev. Hans Pearson—Bethany Lutheran of Sheffield.

April

1—Rev. H. A. Rhinard—Lutheran (Retired).
2—Rev. William J. Prout—Irving Presbyterian.
3—Rev. Stacy Barr—Warren Free Methodist.
4—Rev. J. O. Bishop—Salem Evangelical United Brethren.
5—Rev. David Carlson—Bethlehem Covenant.
6—Rev. Gordon V. Woods—Warren Church of the Nazarene.
7—Rev. E. W. Chitester—Youngville Methodist.
8—Rev. Roger D. Morey—Bethel Evangelical United Brethren.
9—Rev. Milton G. Perry—First Baptist.
10—Rev. C. L. Wessman—Calvary Baptist.
11—Rev. H. H. Barr—Methodist (Retired).

If you were interested in spelology, you would like exploring and cataloging caves.

FORESTER YOUR L. E. STOTZ

In improving the habitat for game, under a wildlife habitat development program, action would be taken to create and maintain permanent forest openings to provide greater variety of food and cover for desirable wildlife. Seed would be collected from trees and shrubs, of special value to wildlife, which could be propagated at a State or Federal Nursery for planting on the Forest. Planting of food and other cover species for game would be carried out.

Through close cooperation with the Ranger, Resident Wildlife Managers might prepare wildlife unit plans for various logging units in order that development plans might be coordinated with the timber sales program. For example, permanent wildlife clearings might be developed by marking timber for clear cutting. Roads of value in dispersing hunting pressure might be provided by proper coordination of timber management designed to have timber operators leave travel-ways suitable for use by hunters. This could be a major item in improving game utilization on the Forest, for there has been a tendency for hunters to do much of their hunting in narrow strips along forest roads and trails.

Proper coordination of wildlife and timber management on the Allegheny Forest can develop this publicly owned area to provide the maximum return in hunting opportunities for the public.

A third phase in the long range program for wildlife production and management on the Allegheny Forest will involve the development of new markets for second growth timber which is so abundant. This will permit wide scale thinning, weeding, and harvesting that will keep the young forest growing fast and in a thrifty condition. Steps have already been taken in this direction, looking toward the harvesting of pulpwood to the extent of 100,000 cords per year. An operation of this kind will permit thinning thousands of acres of second growth forest every year with consequent stimulus to wildlife food production.

Aid Society Appealing For Boarding Homes For Babies

The Children's Aid Society of Warren County is thoroughly convinced that, wherever possible, a family home is the natural place for the training of dependent children, and the agency is appealing directly to citizens of Warren county to aid in the search for good boarding homes.

The children for whom boarding homes are being sought are from other homes broken up by divorce, marital strife, sickness or death. The children are not available for adoption, but do need temporary homes with foster parents who can give them love and attention. Qualifications for foster-parent-hood are necessarily high. The principal requirements are room, a happy home life, economic stability, and an affectionate understanding of children.

The Children's Aid Society pays for board, clothing and medical care, but there is little or no profit involved in becoming foster parents. The satisfaction which such parents derive must be other than financial. The joy and sense of accomplishment experienced when one sees the sick child become strong, the fearful child become carefree, the shy child become spontaneous—these are the rewards which foster parents cherish.

If any Times-Mirror reader can help with this great project, he is asked to send his name, address and telephone number to the Children's Aid Society, 404 Market street.

The information contained in the following coupon will be appreciated by the society from each applicant:

Husband's name
Wife's name
Address
Phone number
Protestant..... Catholic..... Jewish.....

TARGET PRACTICE

When aimed directly at the bull's-eye of a target 25 yards away, a .38-caliber pistol actually is aimed 14 inches below the bull's-eye. Compensation is made in the sights of the gun at the time of manufacture to allow for the upward swing of the barrel at the time of discharge.

Barcelona is Spain's largest city, with a population of more than 1,500,000 persons.

GOOD FOSTER PARENTS

In Peoria, Ill., when a nest of baby robins had to be moved from a boxcar, they were placed close beside another nest, and the owners of the second nest fed and raised both broods.

Directors Of Relief Group Are Selected

The Warren Relief Association announces today appointment of those who will serve as its directors in 1949. These women, who volunteer their services to the community and are deserving of high praise for their untiring efforts, are as follows:

First ward—Mrs. W. N. Hutchings, Mrs. J. W. A. Luce.
Second ward—Mrs. Clara Gilderleeve, Mrs. H. A. Rinard.
Third ward—Mrs. W. T. Davidson, Mrs. E. H. Ley, Mrs. Dean A. Anderson.
Fourth ward—Mrs. Grace B. Siegfried, Mrs. Earl Cobb, Mrs. Richard Smith, Mrs. Francis Stakelum, Mrs. John L. Blair.
Fifth ward—Mrs. George S. Frantz, Mrs. Robert B. Bloom.
Sixth ward—Mrs. Henrietta Bloom, Mrs. Mary Wooster.
Seventh ward—Mrs. J. P. Rogers, Mrs. W. J. Phillips.
Eighth ward—Mrs. Paul B. Stewart, Mrs. W. J. Cleriman.
Ninth ward—Mrs. Oscar Granquist, Mrs. Palmer Davis.
North Warren—Mrs. John Urbaitis.

Directors and members of the Warren Relief Association are gratified with reported results from the Milk Fund collection bottles and urge that friends continue to lend their support to this very worthwhile project.

DID YOU HEAR
how you can save \$1.00 on each year's subscription you pay to the Times-Mirror on Dollar Days, Friday and Saturday, Feb. 18th and 19th? Better give this a thought.

2-15-4t

The American Woman Suffrage Association passed out of existence in 1920 when women received the vote. Its place was taken by the National League of Women Voters.

Times Topics

INCREASE IN DEATHS

Sixty-six persons died in traffic accidents on rural highways in Pennsylvania during January. This was 22 above that the same month of 1948.

WRITES ABOUT PUBLICITY

Harry Botsford, formerly of Titusville, is author of an article in the current issue of the Kiwanis Magazine under the title of "Publicity Has Its Pitfalls."

BUS BILL INADEQUATE

State Senator R. B. Mahany said last week that probably none of the many bills requiring motorists to stop while school busses are picking up and discharging children will pass through the Legislature in their present form. The bills are not specific enough, he said. Some points they do not provide are: 1—Should approaching motorists on multiple-lane highways have to stop? 2—Should official semaphores be provided which could be dropped from the side of the bus to flag down motorists? 3—Should school busses be all one color, including the station wagon types?

TAKES PLACE IN SUN

Titusville Herald: W. Howard Dalrymple, son of Mrs. Elizabeth J. Dalrymple, 114 South Drake street, recently gave Titusville some attention in the house party issue of the Cornell Daily Sun. Dalrymple is staff cartoonist of the college newspaper and contributed three cartoons to the issue. One panel is a sketch of "Greater Cornell University," with its campus scattered all over the state from Albany to Niagara Falls. The sketch shows the northern part of Pennsylvania and there in its proper place in small but very readable print, is Titusville. No other city, either in New York or Pennsylvania, appears by name on the map.

ALLEGATIONS MADE

A new bill in equity complementing and amending the first bill of complaint has been filed by Josephine H. Haskell of New York against her mother, Mrs. Josephine Sibley Heathcote of Franklin, the White Fathers of Africa, Inc., and Rev. J. Alfred Richards, provincial of the White Fathers of Africa, Inc., seeking to prevent the sale of River Ridge Farm. Mrs. Haskell sets out in her bill that she agreed to pay her mother \$125,000 for the property, which was the amount asked of the White Fathers, and she agreed to accept it. Mrs. Haskell sold securities and sent checks totaling \$125,000, but after five weeks they were returned to her. The property was sold to the White Fathers.

SUPPORTING BILL

Visiting Nurse Associations of Pennsylvania are supporting the bill to license all who nurse for hire, according to word received from headquarters of the Pennsylvania State Nurses Association. Despite the shortage of registered nurses, and the fact that their work can be supplemented by the help of well-qualified practical nurses, visiting nurse associations are reluctant to use practical nurses unless the quality of their experience and training is guaranteed by a state license. The association explains that approximately one-third of the work of visiting nurses today is with chronically ill or aged patients, whose nursing care often includes the non-technical services that practical nurses can give.

MURPHY STORE RECORDS

Record sales and earnings of the G. C. Murphy Company, which operates a retail outlet in Warren, for 1948 were reported recently by W. C. Shaw, chairman of the board of directors, and P. L. Sample, president. Sales increased more than \$18,000,000, or 15.8 percent, to a new record total of \$137,564,415 for the year. Average sales per store reached \$655,069 compared with the 1947 average of \$571,094. Dividends paid during the year amounted to \$4,752,031, including preferred dividends of \$427,516. Holders of the 1,922,000 shares of common stock outstanding received a total of \$4,324,515, or \$2.25 a share compared with the 1947 rate of \$2.00. In 1948, 19 stores were enlarged, 3 were renovated, one was moved into larger and more modern quarters, and one new store was opened.

PLAN EAGLES LODGE

Corry Journal: A move to re-organize a chapter of the Fraternal Order of Eagles was underway here with representatives from the Meadville lodge being active in attempting to obtain 100 charter members. William Bevilhimer of Meadville was in the city during the week contacting scores of local persons in attempting to sign a nucleus group for the organization. It is understood that if the necessary number is signed, immediate arrangements toward procuring adequate quarters and a liquor license will be started. Starting a lodge here means a complete re-chartering of the organization since the last active Eagles lodge here disbanded approximately 30 years ago around World War I. While active here the lodge had occupied quarters in the Cameron block, now owned by Al Magliarditi and later moved to the second floor of the structure erected by Thomas Keating and which is now occupied by the Home Furniture Company, also owned by Mr. Magliarditi at the present time.

The Congressional Union—later the National Woman's Party—was formed in 1913 to agitate for women's suffrage by picketing the White House, burning the president's speeches and heckling speakers.

HEART FUND DRIVE DESERVING

This month the American Heart Association is conducting its first nationwide fund-raising campaign, with a goal of \$5,000,000. The drive really marks the end of what has been called the cold war against heart disease, and the beginning of a concerted, co-ordinated effort to defeat the leading cause of fatalities in the United States today.

In connection with this campaign, it is interesting to note the progress made since a similar program of a year ago. Last February's Heart Association campaign was intended to dispense education rather than to solicit funds. Yet since then the association has taken in nearly \$3,000,000, more than half of which came from the proceeds of a radio contest.

The number of local heart associations has doubled. And the national group now has a new and valuable ally in the National Heart Institute, which Congress set up within the U. S. Public Health Service last summer. The institute will supplement, with the aid of federal funds, the association's program of basic heart research.

But more impressive than accomplishments are the amount of work to be done and the unknown territory to be explored. Heart ailments still cause half the deaths of persons past 40. Surgeon General Leonard A. Scheele has bluntly stated that "medical science knows so little about the causes of heart disease that at present very little can be done to prevent it."

While medical science seeks those causes, it is necessary that many more heart sufferers receive diagnosis and known treatment than are getting them today. There are, as we said, twice as many local heart associations for that purpose as there were a year ago. But the number is still only 40. That is a long way from the 500 that the Heart Association says are needed.

Research can be expanded and the number of researchers can be increased. But they cannot be hurried or put on a time schedule. The establishment of centers for relief of heart disease, however, can and must be expedited. That, evidently, is why the Heart Association will set aside 70 per cent of the funds collected this year for local associations. Half of what remains is to be spent on research, and the association's educational program will benefit from the balance.

Those are the plans. They will come to nothing, of course, without public support. There is no need to emphasize the worth or importance of this campaign. Almost every family includes a past or present sufferer from heart disease, or can count on one in the future. The individual's chance of having some sort of heart trouble is almost 50-50.

No health campaign is more important than this one, and none is more intimately deserving of support. For, in a sense, one's contribution is a payment on his own health and life insurance.

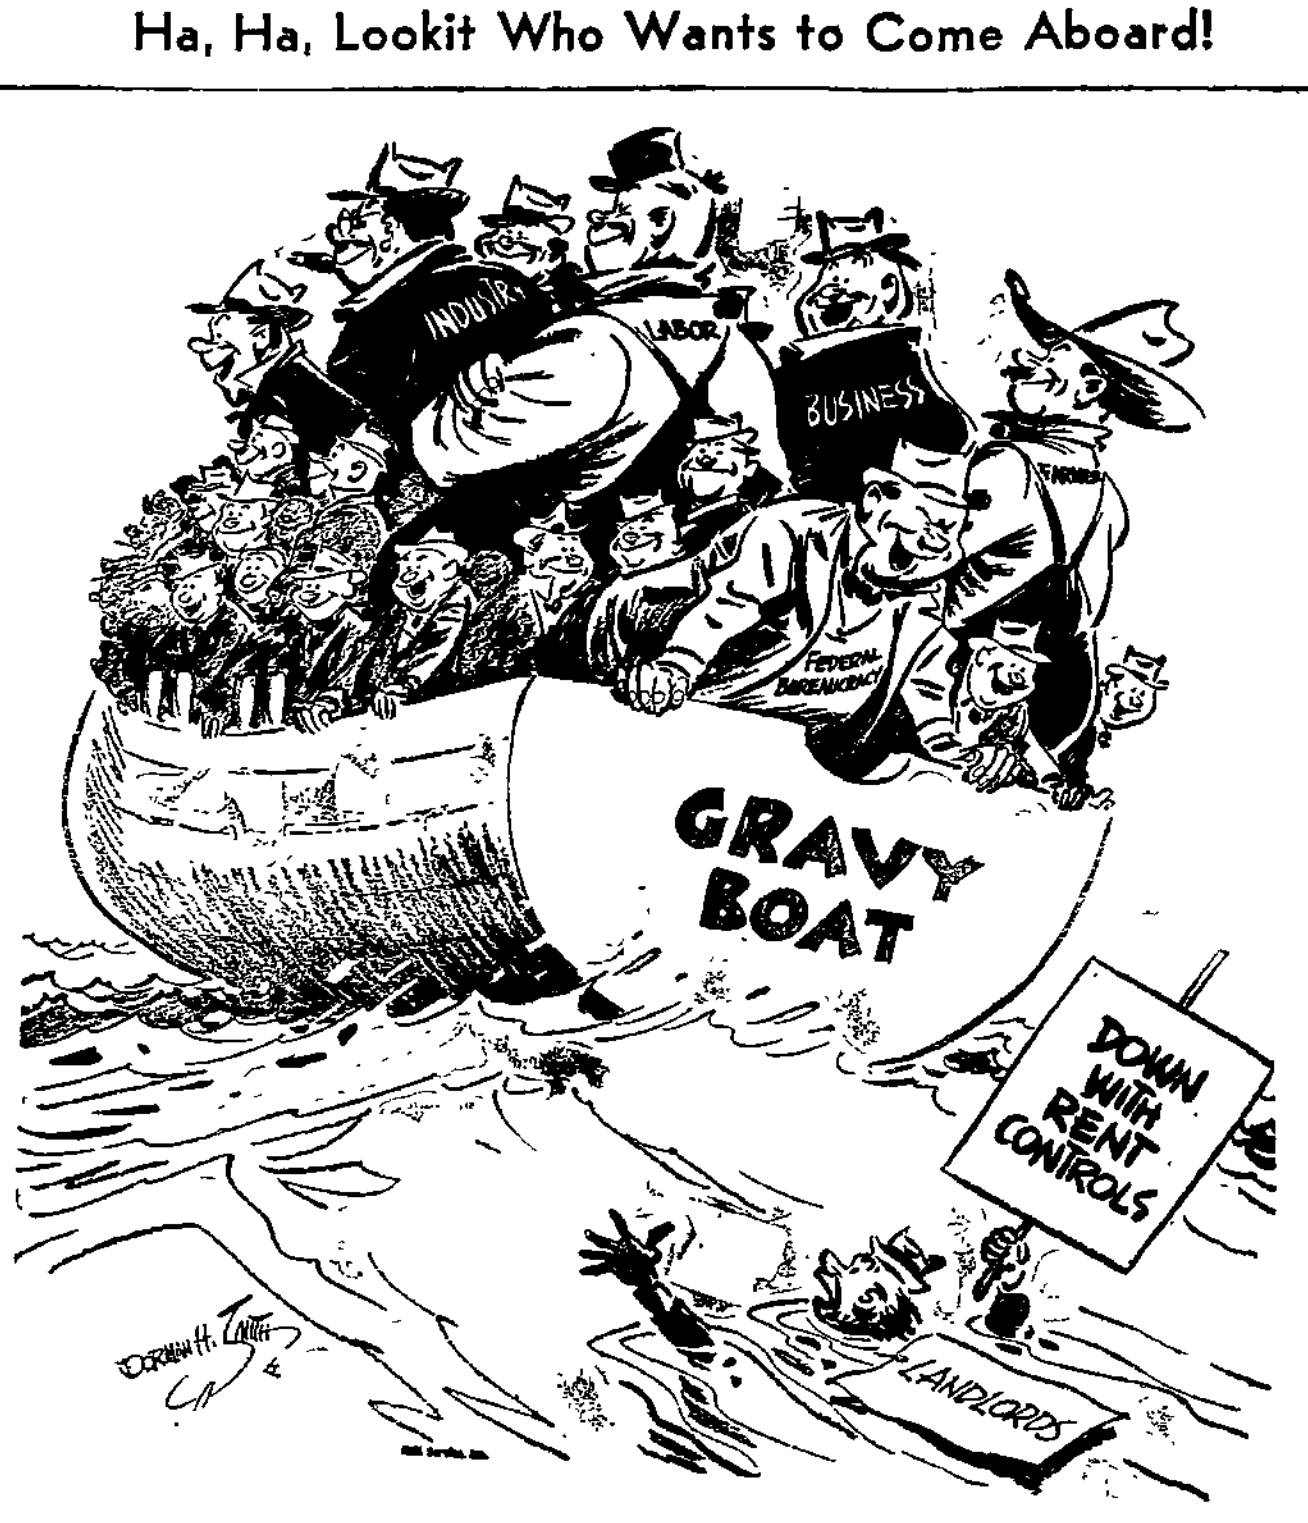

TWO BARGAIN DAYS COMING UP

The time has come, the Walrus said—and once again we remind our readers that progressive Warren merchants have been on the alert for weeks to assemble the stocks which they will offer as special mid-winter Dollar Day bargains on Friday and Saturday of this week.

Along about this time of year the housewife finds many items around the home are getting a bit shabby, the children are outgrowing their winter garments, and she, herself, is in need of a bit of spring rejuvenation. What better opportunity of bettering all three conditions than a leisurely visit to the stores which are displaying the familiar Dollar Day signs which are synonymous with bargains?

Special events are coming thick and fast this season of the year and we find on our calendar the mid-winter band concert at Beaty gym this evening; Players Club's "John Loves Mary" at the Woman's Club this evening and Friday; UCT and Elks Club dances on Saturday night; the Legion Post-Auxiliary's annual Washington Birthday party on Tuesday; the North Warren Civic Club's 1949 edition of Minstrels on Tuesday and Wednesday; Vienna Choir Boys under the auspices of the Jaycees on Thursday of next week—and many lesser events too numerous to mention.

Governor Dewey and Senator Vandenberg have advised the GOP to resume its position in the middle of the road and its role of governmental watchdog. We seem to recall that the GOP was sitting in the same spot and performing the same duty in '36, '40, '44 and '48 when that big, fast Democratic machine came whizzing around the corner and smacked it.

WASHINGTON COLUMN
All GOP Leaders' Statements Add Up to an 'Against' Policy
BY PETER EDSON
NEA Washington Correspondent

WASHINGTON—(NEA)—All the speeches made by Republican big shots in the past month, if placed end to end, still wouldn't reach anywhere. The list of GOP spokesmen who have been sounding off about their party and its future is impressive. Defeated presidential candidate and titular party head Thomas E. Dewey, Senators Taft of Ohio and Lodge of Massachusetts, National Committee chairman and Congressman Hugh Scott of Pennsylvania, Gov. Val Peterson of Nebraska, and others.

All their speeches try to prescribe what should be done to insure Republican victories in future elections. But when you lay all these speeches out on your desk and try to compare them paragraph by paragraph to see just what the Republican Party has to offer, you are completely flabbergasted by how little it adds up to.

For the sad fact is that—just as during the campaign—the Republican Party still doesn't have a program it can call its own. The Democrats do have a program. You may not like this Democratic administration program. But it is a program, fully supported by what are presented as careful economic research and definite theories of government.

THERE may be a very good reason why the Democrats seem better equipped in this respect. They have been in control of federal government machinery for 16 years. They have at their disposal all the fact-gathering and intelligence services of the myriad government agencies.

By contrast, the Republicans are still apparently trying to legislate by instinct, through the seats of their pants. That "system" of trying to get the "feel" of the country by placing one ear in the grass roots may have been all right a generation ago. But is it adequate today?

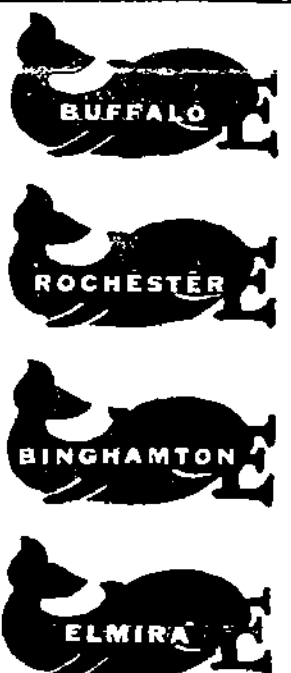

Much to do has been made over Governor Dewey's recent speech in Washington. One general impression has been that if Dewey had made speeches like that during the campaign, he might have been elected. The speech did have a few introductory sparkles of wit and satire. The speech listened well and it televised fairly well.

True, Dewey came out flat-footed for more unemployment insurance, old-age assistance, slum clearance, public housing, public power, farm-price supports, protection of the rights of labor. But that doesn't make a complete political program. The rest of Dewey's speech was entirely negative. To say it in simplest terms, he was against everything the Democrats are for, and he wasn't exactly accurate in his analysis of what the Democrats are for.

BEST and clearest statement of the lot comes from Senator Taft. But close reading of his McKinley memorial speech at Niles, O., reveals this same negative attitude. He is against all controls in peacetime. Constructively, he seems to be for the increased minimum wage, for anti-poll tax and anti-lynching laws, for the Sherman anti-trust and the Taft-Hartley labor laws, for federal aid to the states—the poorer ones—to promote better education, health and housing for that fifth of the population that can't afford such things.

Sen. Henry Cabot Lodge, Jr., in his recent Saturday Evening Post article, said that this is not the time for the Republican Party to propose a program. His theory seems to be that the GOP must first, by its acts in Congress, show that it wishes to become a popular and useful "vital organ." Then, in the words of Lincoln, "it can rise with the occasion." Lodge is frequently mentioned as the hope of the Republican liberals, though he shies away from this honor.

The liver of the polar bear is highly poisonous to man.

Increase Shown In Operating Expenses Of Bell Tele. Co.

Philadelphia—Operating expenses of the Bell Telephone Company of Pennsylvania increased 15.8 per cent during 1948, while revenues increased only 10.9 per cent, Francis J. Chesterman, president, said in the company's annual report, made public today.

Net income for the company was \$12,177,339 in 1948, as compared to \$13,492,581 in 1947, in spite of an increase of approximately \$58,000,000 in telephone plant, he said.

During the year, the telephone company showed a net gain of more than 220,000 telephones and handled an all-time record of 10,255,000 local and 777,700 toll and long distance calls per average business day, he added, pointing out that there has been a 43 per cent increase in the number of the company's telephones since V-J Day.

Fourteen new central office buildings were completed in 1948, additions to 10 more were finished and three more buildings and eight additions were under construction at the end of the year, he said.

Eighteen new central offices were placed in service and four others were being assembled and installed at the end of the year.

A total of 346 major equipment additions was made to central offices throughout the State. There were also a total of 105,758 dial lines added. 26,000 poles were erected, 536,000 miles of wire were added and 1,228 inter-city toll circuits were connected.

"Gross construction, including reused materials, totaled \$74,014,000 in 1948, resulting in net additions to plant of \$58,247,000," Mr. Chesterman said. "These were substantially above the 1947 totals of \$60,452,000 gross construction and \$48,995,000 net additions."

The company also made substantial progress in reducing the waiting lists for telephones, he said.

"During the year there were more than 273,000 applications for main telephone service, only slightly below the 1947 total," he said, "but because of the continuing expansion of our plant, we closed the year with waiting lists of 38,400, or less than half the start-of-the-year total. In addition, delays in filling orders were shortened substantially in most localities, and in December we were filling nearly three-fourths of all orders within the month in which they were placed."

The usual dividend of \$3 per

share was paid in the first two quarters of the year, but was cut to \$1.50 in the last two.

"In no quarter were the dividends fully earned and they were paid in part from surplus," Mr. Chesterman said. The surplus, he added, now stands at the lowest point since 1914 when the company's capital was little better than one-fifth of present total capital.

New tariffs providing for increased rates for local service and equipment in all exchanges were filed November 19 with the Pennsylvania Public Utility Commission. The Commission is now holding hearings on these tariffs.

COLE HILL

John Nodzak, and son, Tony, Joe Franko, and Willis Wentworth attended the livestock sale at Lottsville Wednesday afternoon. The cattle market is declining as well as the milk prices. Some milk plants have dropped in price 30 cents per hundred pounds for milk in the past month.

Many residents of this section attended the funeral of Mrs. Goldie Mae Beardsley, well known resident of this section Wednesday afternoon at 2:30 in the Presbyterian church at Garland with interment in the Garland cemetery.

Nine total eclipses of the sun will be visible somewhere in the continental United States during the next 100 years.

Pope Protests Mindszenty Affair

Seated on a gilded throne in Consistory Hall in the Vatican, Pope Pius XII speaks to assembled cardinals in an extraordinary secret consistory called to protest the trial and sentencing of Cardinal Mindszenty of Hungary. Calling the trial "artificial and capricious," the pontiff said "the principal aim of the sentence was that of upsetting the Catholic Church in Hungary."

Today's Business Mirror

By SAM DAWSON

New York—(AP)—Car makers would give a lot to know just how much the war years changed your attitude toward the old bus.

Are you going to yearn for a new fancy model every year or two as you used to do? Will the magnificent new creations continue to be America's No. one symbol of "keeping up with the Joneses?"

Or have car prices gone so high that you now consider the automobile an investment—a utility item like the kitchen stove—to be given good care and to be used as long as serviceable and economical?

During the war you had to give the old bus the best of care. That is one reason most of you are still driving it. In 1939, when it was easy to turn the old one in for a shiny new model, only 40 per cent of cars on the road were six years old or older. Now about 75 per cent are in that age class.

Auto makers like to reassure themselves that this is because you couldn't buy a newer car anyway. But those who suspect that the estimated five million order backlog may be about half water are wondering if the cars they've been selling since the war won't stay in the first buyers' hands for quite a spell.

The urge to buy a new car every time some designer thinks up a different door handle may have been dulled considerably during the war and inflation years.

Especially so, since the auto makers have taken a new price attitude. Before the war, the costs of model change-overs were figured in as part of normal operating expenses. Enough people bought a new car every year or so to make it worth while for the auto makers to retool.

The costs of model change-overs this year has risen and is being added right onto the buyers' bill. He can see just how much the new look costs him.

Of course, the crowds that have thronged to gawk at the new models this winter have been reassuring. Americans still yearn for something new—if they can pay for it.

It's said that scrap dealers are itching to get their hands on about 14 million cars now creeping along the roads. However, it's far from certain that all the drivers of these jalopies have the ready cash to make the required one-third down-

payment on a new, expensive car. In the old days, these drivers would have bought the cars the better-heeled were turning in after a year or two of use. And if these drivers find the money, some of them are likely to regard their buys as long-time investments, and not, as they once did, as akin to their wives' dresses, to be thrown out every time some one changes the length of the hemline.

Few doubt that the number of cars in the United States will continue to grow, as the population increases and the incomes of the lower, and more numerous, brackets swell.

But replacements may be at a slower rate. Auto makers wonder how many of these quick turn-overs they can still count on; how many will turn in their cars after one or two years, "before they start giving trouble." Have they got the habit now of taking care of the car and avoiding the trouble?

And there is still another question. How many Americans will buy those new foreign cars? The ones small enough to fit into the garages Americans have already built. The ones that sell for less. The ones that use less gas.

If they knew the answers—the

Engineer On Staff Of Pa. Grade Group

Bradford—Joseph Saxon, Jr., of Wyandotte, Mich., today joined the staff of the Pennsylvania Grade Crude Oil Association's secondary recovery research laboratory here. He is a chemical engineer.

Mr. Saxon has been a production engineer in the research department of Wyandotte Chemicals Corporation, supervising the semi-commercial pilot plant production of aromatic sulfonic acid derivatives. His new work will be devoted to the study and improvement of petroleum secondary recovery methods.

He is a graduate of the Pennsylvania State College, having received a bachelor of science degree in chemical engineering in June, 1944. Entering the Navy that year, he was discharged in July, 1946, as an electronic technician's mate, third class.

Mr. Saxon is a member of American Chemical Society and the American Institute of Chemical Engineers. He and Mrs. Saxon will move to Bradford.

In 1932, a \$6000 hippopotamus in the Cincinnati zoo choked on an indoor baseball and died.

Everybody reads the Times-Mirror.

WRIGHTSVILLE

Wrightsville, Feb. 15—The Wrightsville Volunteer Fire Company will sponsor another dance in the fire hall, formerly the school building, at eight o'clock Friday evening of this week. A round and square dance party held last Thursday proved very successful with lunch enjoyed by the large crowd.

Mr. and Mrs. Lloyd Fisher and small daughter, Loreta, spent the weekend at Meadville visiting their daughter, Betty, who is employed there.

Mrs. Lenora Ward and daughter, Nancy and Miss Arbutus Durbin, were shopping in Titusville Saturday.

State Reports Progress In Good Forest Management

Harrisburg—The State's Department of Forests and Waters today reported "sound and substantial progress" in securing adoption of "good forest management practices" on the woodlands of farmers and other small owners in 23 counties in Pennsylvania.

The report was based on results achieved in counties where forest management projects for farm woodlots have been set up as an integral part of the Department's cooperative program with State Soil Conservation Commission, the U. S. Soil Conservation Commission and the local soil conservation districts.

The Bureau's report showed that during 1948 only 16 farm-foresters were in the employ of the Department, but that "they brought approved forest management practices on the holdings of more than 600 farmers and other owners of small forests."

The report added, however, that "this accomplishment is still lamentably small in comparison with the major forestry problem presented by the State's farm woodlands and small forests as a whole."

"The holdings on which forestry advice was afforded totaled almost 75,000 acres," the Bureau reported. "From these, more than 7 million board feet of sawtimber and other forest products—such as pulpwood, railroad ties, poles, posts,

Two Local Students In State Who's Who

In recognition of their participation in collegiate activities, 259 Penn State students have been named to "Who's Who at Penn State," a publication issued annually by Sigma Delta Chi, men's professional journalism sorority.

Among students named in the 1949 edition are Lois Marie Bloomquist, 5 North Irvine street, and Terrell Louis Ruhlman, 601 Conewango avenue.

Miss Bloomquist, a senior in journalism, belongs to the College Cooperative Society; is vice editor of the Daily Collegian; member of Kappa Phi; member of the religion-chapel work committee, and has a 2.0 all-college average.

Ruhlman, a chemical engineering senior, is a war vet, serving two years with the Merchant Marine as junior engineer. He is president of Sigma Chi fraternity; member of Lambda Chi; vice president of East Societies council; secretary-treasurer of Penni Nouns; vice president of Druids; played two years varsity basketball; is president of the senior class; served two years on the All-College Cabinet; was president of the sophomore class; member of the La Vie board of directors; the Red Cross operating committee; student representative to the Alumni Association; and member of the Community Forum.

★ WE, THE WOMEN
BY RUTH MILLETT
NEA Staff Writer

[If your husband doesn't approve of one of your friends maybe it is for one of these reasons:
Does she influence you to be extravagant, so that when you go shopping with her you come home a bit chagrined over the fact that you've spent more money than you should have?
Does she make you dissatisfied with your life as it is, so that after an afternoon with her you are down in the dumps?
Is she a manager, who is always getting you into jobs you have to work your way out of?
Is she an advice-giver, who knows just how you should paint the living room, where you should be sending Junior to school, etc.?
UNHAPPILY WED?
[Is she unhappily married herself, and because of that, convinced and eager to try to convince her friends that men have to be "managed"?
Is she an eternal gadabout, who is always persuading you to go places with her?
Is she so curious about your life that she digs out information from you that is really none of her business at all?
Often when a husband disapproves of a woman his wife sees a lot of, it isn't actually that he dislikes the woman, but that he senses that she isn't a good influence on his wife.
And sometimes a husband can see the bad effect when the wife, herself, never even suspects the friend is making her unhappy, dissatisfied, or mixed up in her sense of values.

Hal Boyle's Column

By HAL BOYLE
New York—(AP)—This is the tale of Honeylamb, the sheep that thought she was a dog.

It is a story of what befalls innocence astray.

A year ago a newspaper friend of mine in Washington, D. C., achieved the dream of most city people—a place in the country.

It was an old 11-acre farm in Maryland. My friend, Herman Allen, his wife, Emmy Lou, and their two small daughters loved their life there immediately. So did Flash, the family's Springer Spaniel.

"Our first investment in livestock was chickens," said Herman. "After that we got a couple of geese and a few ducks. Then we decided we'd like to raise some real meat so we got four lambs."

The mutton quartet finally dwindled to one, which the Allens decided to keep over the winter.

"As we might have known," she became a pet," said Herman. "Not a pet really, as far as we were concerned, but Flash's pal. They played together, ate out of the same dish and went together to meet Ann coming home from the school bus."

Ann gave the sheep her name. Watching her frolic with the dog, the little girl said:

"Why, she's Flash's honeylamb."

The strange animal partnership became the talk of the neighborhood. People would come by and say, "Well, your dog and your sheep were up to our place today. Never saw anything like it before."

The two begged at backdoors for handouts, shared them together—and went on to the next place.

So close were they that at night Honeylamb flopped down beside Flash's barrel and slept with her head stuck inside. When cold weather came, the Allens built a shed to keep Honeylamb out of the wind. Flash immediately left his barrel and moved into the shed, too.

Their friendship might have gone on for years except that Honeylamb apparently got it into her head that she was a dog herself. And that would have been all right—except that no other dog but Flash understood it that way.

Recently there was a coon hunt in the neighborhood. A Maryland coon hunt is a special kind of thing. The hunters turn their dogs loose and sit in their cars, perhaps belting a little bourbon as they listen to the yowling hounds on the trail. It is the dogs and the coon, if any, who get the exercise.

Whether a coon is actually treed and taken is largely inconsequential and irrelevant. The hunters get most of their fun hearing the mellow music of the hound concert.

Well, Flash came from a hunting breed himself. So when he heard the hounds out the other night he left his shed to join in the chase. And Honeylamb faithfully set out after him. She wanted to be in on the coon hunt, too. Allen wrote me what happened:

"I missed Honeylamb the next morning, when she didn't show up to follow me to the car. But I figured she was just sleeping late."

Later in the morning Emmy Lou phoned me at the office. She had found Honeylamb down by the creek. Poor Honeylamb, her throat was chewed to ribbons.

"She thought all dogs were like Flash."

New Zealand, in 1893, became the first country in the world to grant women complete suffrage.
